Town of Hudson, NH

2017 Residential Recycling and Solid Waste Services Guide

This Service Guide contains important dates and collection information, please read and keep this information.

TOWN OF HUDSON LANDFILL OPEN DATES

- Each residence serviced by curbside collection will be entitled to **THREE LANDFILL PASSES** per calendar year.
- Passes are valid for that calendar year for which they are issued, and will expire on December 31 of every year.
- Passes may be obtained at the Highway Department during normal business hours or at the landfill on the open dates.
- Residents will be required to show a valid picture ID to be issued passes for their address. The address will be prominently displayed on the pass and is valid for that address only. A valid picture ID will also be required at the landfill to match to the pass.
- A pass will be required to dispose of any acceptable items per visit. Not per day.
- No additional passes are allowed nor can they be purchased for a fee. The Highway Department will prepare and maintain a resources list for available alternatives for disposal.
- The town is not responsible for lost or stolen passes and will not issue replacements.

***** For complete information regarding Landfill Open dates, contact the Hudson Highway Department: (603) 886-6018 *****

Important Information

DETAILS ABOUT YOUR CURBSIDE COLLECTION

Trash Collection: FREE CART Provided by the Town

Your black cart with the black lid may be placed curbside weekly for trash collection. Remember that all trash MUST BE BAGGED before being placed in the cart. If your household generates additional trash that cannot be handled with one cart, you may subscribe to overflow trash service from Pinard Waste Systems (see below). Items left outside of the cart WILL NOT BE COLLECTED.

Overflow Trash Collection: SUBSCRIPTION SERVICE through Pinard Waste Systems

Recyclable material makes up, on average, 60% of household waste. By recycling everything our program allows, the black cart provided by the Town should be sufficient for most residents' trash needs. For those with greater trash needs Pinard Waste Systems is providing overflow service for an annual fee of $150. **The subscription period will run from July 1st - June 30th, and pro-rated for those subscribing after the start date.** Subscription customers will receive a second cart, with a yellow lid, which can be placed curbside along with the cart provided by the Town. At the end of the subscription period, if you choose NOT to renew, Pinard will remove the cart. **To sign up for subscription service, visit www.pinardwaste.com/hudson/ or call (800) 675-7933.**

BLUE CARTS: Single Stream Recycling

Single Stream Recycling is a program that allows you to place all of your recyclables in one bin - NO MORE SORTING! Recycling is collected every other week according to the street listing and calendar on the following pages. All recyclables must be placed IN the collection cart; items left outside the cart WILL NOT BE COLLECTED. If you're experiencing a persistent, on-going problem whereby your need exceeds the capacity of the cart provided, you may purchase an additional cart for a one-time fee of $75 (for 65 gal) or $100 (for 95 gal) by calling Pinard Waste Systems at (800) 675-7933. Additionally, to conserve space in your cart, cardboard and paper recyclables can be brought to the town's landfill (no pass required) on the Landfill Open Dates and Landfill Yard Waste Dates listed on page 1.

Guidelines for Automated Collection

Please read this resident user guide completely. It contains important program information.

- All trash should be bagged and placed in the black cart with the black lid, and the lid closed.
- Trash left beside the cart or in other containers will not be collected.
- Collection carts must be set in an accessible location: At least 5 feet from any obstruction such as trees, telephone poles, parked cars, mailboxes, other carts, etc. Approximately 2 feet from the curb and away from low hanging utility lines.
- Carts that are inaccessible will not be serviced until the following week.
- The cart must be placed so that the handle faces the house.
- All carts must be at the curb **by 6:30 AM** on your collection day.
- No hazardous or building materials, yard waste, brush, liquids, or recyclables should be placed in trash carts.
- Blue recycling carts should be placed following the same guidelines as trash carts.

Cart Information & Barcoding

Hudson Residents will receive one free cart for trash and one for recycling as part of the automated collection program. These carts are the property of Pinard Waste Systems and should not be defaced or modified in any way. You are encouraged to remove all the recyclable items out of your regular trash, before opting for the overflow subscription program. Recycling will reduce the volume in your trash significantly. The recyclables you remove save the Town of Hudson a substantial amount of money; money which comes out of your taxes!

Note: All carts are bar-coded to the residential address to which the cart is placed. If you choose to subscribe to overflow trash service, you will receive an additional cart which has a yellow lid. This cart is also bar coded to the residence to which it is delivered. Carts may not be loaned or sold to another resident. No residential address may have additional free cart colors. If this happens, the cart will be scanned and returned to the correct address.

Missing or Damaged Carts

If for some reason the cart is destroyed, a new cart will be provided free of charge upon the return of the damaged cart. Missing carts will be replaced upon notification to Pinard Waste Systems. Damaged carts will be repaired at no cost to the resident. Call Pinard Waste Systems at 1-800-675-7933. Please detail the nature of the needed repair. (Lid, wheel, etc.)

Place collection cart 2 feet from curb, and at least 5 feet from any obstruction (ie. parked car, other carts, or a tree).

On one way streets, carts should be placed on the right-hand side of the street.
