Best of Times is proud to bring to our stage one of the most popular vocal groups in history - **The Lettermen.**

What's the one change that Tony Butala, original and founding member of the Lettermen, would have made in his 50 plus year career with the Lettermen? *"We chose the wrong name!"* he exclaims. They chose the name The Lettermen and wore letter sweaters. By the time similar group names became passé in the early sixties, The Lettermen had already had a few hits and were a tremendous success. A name change was no longer an option.

The Lettermen name first appeared in February 1958 on the marquee of the Desert Inn Hotel Resort Showroom in Las Vegas Nevada, and by 1961 released their first hit singles with Capital Records.

Today the voices of Tony Butala, Bobby Poynton, and Donovan Tea make up the voices of this legendary group. Come see them live in concert performing their greatest hits.
