
CURIOUS ABOUT SOLAR ?

PART II

Everything You've Always Wanted to Know About Solar but Were Afraid to Ask

Thursday, March 3rd

Free Event—Doors open 6:30 pm - Program begins 7:00 pm
Hills Memorial Library, 18 Library Street, Hudson, NH

Presentation by Chris Milner, an expert on solar energy for the home owner, including state rebates and federal tax credits.

Representatives from the Hudson Inspectional Services department will discuss regulations, permits, and inspections.

Q and A will follow the presentation. Refreshments will be served.
