Date

The Community Development Department will schedule a public hearing at the next available meeting of the Hudson Zoning Board of Adjustment for your properly-completed application. Applications are scheduled on a first-come, first-served basis. Public notice of the hearing will be posted on public bulletin boards in the Town Hall, the Post Office, and the Rogers Library and also printed in a newspaper, and a notice will be mailed to the applicant, all abutters, and any other parties whom the Board may deem to have an interest.

After the public hearing, the Board will deliberate and then reach a decision either to grant the request (perhaps with stipulations to make it palatable) or to deny the request—or to defer final action to another meeting, or perhaps to accept a request for withdrawal. You will be sent a Notice of Decision during the following week.

If you believe that the Board's decision is wrong, you have the right to appeal. In addition, any third party/parties affected by the decision also has/have the right to appeal the decision of your case. To appeal, you must first ask the Board for a rehearing; this motion for rehearing may be in the form of a letter to the Board. The rehearing request must be made in writing within thirty (30) days following the Board's decision, and must set forth the grounds on which it is claimed the decision is unlawful or unreasonable.

The Board may grant such a rehearing if, in the Board's opinion, good reason is stated in the motion. In general, the Board will not allow a rehearing unless a majority of its sitting members conclude either that the protested decision was illegal or unreasonable or that the request for rehearing demonstrates the availability of new evidence that was not available at the original hearing. The Board will not reopen a case based on the same set of facts unless it is convinced that an injustice would be created by not doing so. Whether or not a rehearing is held, you must have requested one before you can appeal the decision to the Court(s). When a rehearing is held, the same procedure is followed as for the first hearing, including public notice and notice to abutters.

See RSA Chapter 677 for more detail on rehearing and appeal procedures.

To appeal, you just first ask the Board for a rehearing; this motion for rehearing may be in the form of a letter to the Board. The motion must be made within thirty (30) days of the Board's decision, and must set forth the grounds on which it is claimed the decision is unlawful or unreasonable.

The Board may grant such a rehearing if, in its' opinion, good reason is stated in the motion. Whether or not a rehearing is held, you must have requested one before you can appeal the decision to the Court(s). When a rehearing is held, the same procedure is followed as for the first hearing, including public notice and notice to abutters.

See **RSA Chapter 677** for more detail on rehearing and appeal procedures.

Requests before the Board may require connection to the municipal sewer system. Please contact the Town Engineer prior to submittal of this application to determine if connection is required, and the procedures for such application.
