

# Town of Hudson

## **NEW CLEAN UP DAYS RULES EFFECTIVE JANUARY 1, 2012**

- Each residence serviced by curbside collection will be entitled to three clean up day passes per calendar year.
- Passes are valid for that calendar year for which they are issued. All passes will expire on December 31 of every year.
- Passes may be obtained at the Highway Department during normal business hours or at the landfill during clean up days.
- Residents will be required to show a valid picture ID to be issued passes for their address. The address will be prominently displayed on the pass and is valid for that address only.
- A valid picture ID will be required on the clean up day to match to the pass.
- A pass will be required to dispose of any acceptable items per visit. Not per day.
- Items that do not require a pass are leaf and yard waste, metal that can be recycled and bulk card board. These items can be dropped off as often as necessary during clean up days.

- No commercial vehicles are allowed at clean up days.
- No vehicles larger than a one ton pick up truck are allowed. Trailers of similar capacity are allowed. Trailer and pick up truck combinations are considered two loads if both are used.
- No additional passes are allowed nor can they be purchased for a fee. The Highway Department will prepare and maintain a resources list for available alternatives for disposal.
- Rental properties serviced by curbside collection. Either the property owner or the tenant may collect and use the passes for the rental property with proper ID. If the passes have already been issued to either one for that calendar year, no further passes will be issued. The Town will not mediate disputes between the landlord and the tenant as to the right to collect and use clean up passes.
- The town is not responsible for lost or stolen passes and will not issue replacements.
- The Road Agent has the right to suspend a resident's right to attend clean up days and to not issue additional passes to residents who fail to follow the rules implemented by the Town of Hudson, fails to follow direction of town employees at clean up days or is abusive or threatening to town employees working these events. The Road Agent will report his decision to the Town Administrator in writing as soon as possible. The decision of the Road Agent may be appealed to the Board of Selectmen.

Passes will be available on December 1, 2011.
