Your group will have a delightful scenic ride along the beautiful Kancamagus Highway in Northern New Hampshire. Your first stop of the day is at the Conway Scenic Railroad where you will enjoy an old-fashioned railroading experience as you journey on historic rail routes in vintage passenger cars from our 1874 train station in North Conway Village to Bartlett and back again.

The 21 mile, 1¼ hour roundtrip Bartlett excursion offers a longer and more relaxing train ride that takes you “over the river and through the woods.” You’re invited to sit back and take in the passing scenery as you travel through fields and woodlands, crossing the East Branch, Saco and Ellis Rivers on the way to Bartlett. Here you also have the opportunity to watch the locomotive “run around” for the return trip to North Conway.

After your train ride, you will travel to the nearby White Mountain Hotel and Resort in Conway, for a delicious lunch with incredible views. Nestled beneath scenic White Horse Ledge and Cathedral Ledge, this beautiful resort is truly world class with all that it has to offer.

A Fall Foliage Day trip that you don’t want to miss! Join us! Includes: Transportation, driver’s gratuity, train ride, lunch, dining room taxes and gratuities.
