Hudson 2016 Button Up

FREE Home Energy Workshop

- **Learn How to Save Energy in Your Home**
- **Tips for Do-it-Yourself Energy Saving Projects**
- **Tips about Air Sealing and Insulating Your Basement, Walls and Attic**
- **Gain a Better Understanding of Building Science**
- **Learn about the *Home Performance* with ENERGY STAR Program...**

Increase your home's value and save on your energy bills by taking advantage of the Home Performance with ENERGY STAR program.

Visit NHSaves.com/homeheating to test your home's level of energy efficiency to see if you qualify.

- You may be eligible for a $450 home energy audit at a cost of just $100.
- You may also receive an instant rebate of 50% up to $4000 for energy improvements.
- You could also save up to 20% on heating and cooling bills.
