

Happy Earth Day Hudson!

The Hudson Sustainability Committee
invites you to answer this question

How can you save energy?

Take part in our campaign to encourage Hudson to save energy. Give us your best examples of saving energy and we'll share them with the town! Answers can be in the form of pictures, words, music or anything in between! Just submit your ideas to your teacher by April 4th, 2016. Hudson's Board of Selectmen will choose a winning entry to be broadcast on HCTV and displayed at events throughout the year! Plus—the classroom with the most participation will celebrate with an Ice Cream Party!

**Don't waste and don't waste time!
Submit your entries by April 4th!**
