ZONING REFERENDUM QUESTIONS

Article 2 Sexually Oriented Businesses

Amendment No. 1: "Are you in favor of Amendment No. 1, as proposed by the Planning Board, to the Town of Hudson Zoning Ordinance as follows:

This amendment proposes an entirely new zoning ordinance section entitled "Sexually Oriented Businesses." The purpose of this amendment is to prevent the concentration of sexually oriented businesses and accompanying problems of blight and deterioration within the town, but without violating the intent of the First Amendment of the United States Constitution. The proposed article has sections which address "purpose and intent", "permitted locations", "setback distance", "site plan approval", "public nuisance per se", "limiting clause", and "severability". Federal Court decisions interpreting the United States Constitution permit municipalities to enact zoning ordinance provisions that place reasonable restrictions on "sexually oriented businesses", but these decisions do not permit municipalities to employ zoning regulations to completely prohibit such business uses. The aim of this ordinance amendment is to ensure that such businesses be located in areas of town which have minimal impact upon residences, public parks, recreation or sports facilities, businesses in which minors constitute more than 50% of the patrons and buildings owned by the Town of Hudson or operated for government use. This amendment accompanies Amendment No. 2 and No. 3 below. If adopted, these ordinance amendments are likely to provide greater restrictions and community control over sexually oriented businesses. Approved by the Planning Board.

Article 3 Definitional Changes

Amendment No. 2: "Are you in favor of Amendment No. 2, as proposed by the Planning

Board, to the Town of Hudson Zoning Ordinance as follows:

This amendment proposes to add new definitions to Article II of the Town of Hudson, New Hampshire, Zoning Ordinance, with respect to the following terms: "sexually oriented businesses", "adult book store or adult video store", "adult motion picture theater", "adult motion picture arcade", "adult drive-in theater", "adult cabaret", "adult motel", "adult theater", "nude model studio", and "sexual encounter center". These definitional changes accompany Amendment No. 1 above and No. 3 below. If adopted, these ordinance amendments are likely to provide greater restrictions and community control over sexually oriented businesses. Approved by the Planning Board

Article 4 Amendment to Table of Permitted Principle Uses

Amendment No. 3: "Are you in favor of Amendment No. 3, as proposed by the Planning Board, to the Town of Hudson Zoning Ordinance as follows:

This amendment proposes changes to Article V, section 334-21 Table of Permitted Principle Uses. Please note that this proposed amendment allows for the location of sexually oriented businesses in the Industrial District only. This amendment accompanies amendments No. 1 and No. 2 above. If adopted, these ordinance amendments are likely to provide greater restrictions and community control over sexually oriented businesses. Approved by the Planning Board

Article 5 Commercial Wireless Telecommunication, Radio Service and Receive-Only Facilities, Building Height and Corresponding Changes to the Table of Permitted Principal Uses

Amendment No. 4: "Are you in favor of Amendment No. 4, which shall include proposed Article XVII, entitled "Commercial Wireless Telecommunication, Radio Service, and Receive-only Facilities". The scope of this article is to promulgate regulations which address the different operating environments of commercial wireless telecommunication facilities (cellular, PCS, paging, etc.), receive-only facilities (TV, AM, FM, etc.), and radio service facilities (amateur, citizens band, general mobile, etc.) identified pursuant to the applicable federal law and Code of Federal Regulations, adopted pursuant thereto. This article establishes general guidelines for the siting of commercial wireless telecommunication facilities, towers, and antennas; proposes a set of definitions; states applicability of public property, and essential services and public utilities; addresses both siting standards and where permitted (in zoning districts); proposes sections on "bonding security and insurance" and the "removal of abandoned antennas and towers". The proposed article also addresses "radio service facilities" and lists federal regulation references, and provides definitions. The article has sections on "antenna and mast height", "fall zone calculation", "number of masts for antennas", "co-location", "yard and green space setback requirements", "Hazardous RF Emission Certifications and Environmental Evaluations", and "receive-only facilities".

This amendment shall also include a change to existing HTC 334-14 Building Height text. This proposed change deletes the existing last sentence in the section. Three (3) new sentences are added. The new text addresses height of non-habitable structures, non-habitable structure fall or collapse limits, and a reference to where information can be found regarding the proposed Telecommunications Facilities zoning ordinance article.

This amendment also proposes corresponding changes to the "Table of Permitted Principal Uses-Part 1". This proposed amendment removes information from the existing table, and replaces it with a reference to where information can be found in the proposed Article XVII (telecommunication facilities, etc.). Approved by the Planning Board

Article 6 Wetland Soils and Slopes

Amendment No. 5: "Are you in favor of Amendment No. 5, as proposed by the Planning Board, to the Town Zoning Ordinance as follows:

This amendment includes a complete replacement to existing section 334-27.1B, regarding minimal buildable lot area with regard to wetland and slope. This amendment proposes a complete deletion of section 334-36 lot area requirements, which addresses wetland areas and their associated buffers and standards for satisfaction of minimum lot area and setback requirements. This amendment proposes a complete replacement to existing ordinance section 334-43F.(1)(c), regarding maximum density of manufactured homes allowed in a mobile home park. It also proposes a complete replacement to existing zoning ordinance section 334-53C, regarding open space design, and open space requirements with regard to wetlands and slopes.
