Section 1.0 – Overview

1.1 Purpose

This policy is intended to guide both town personnel, and individual and entities to effectively and efficiently handle Right to Know requests and any requests for public information (requests do not need to reference NH RSA 91A). This document serves as a guidance policy and should not be considered a town ordinance or regulations of legal weight. It is recommended that all parties familiarize themselves with the actual law as written under NH RSA 91-A.

1.2 Scope

This policy and the subsequent NH state statutes apply to *Governmental Records* maintained by *Public Agencies* and *Public Bodies*. Specifically, to Hudson, this would include but is not limited to, Hudson NH governmental meetings, quasi-governmental meetings, subcommittees, and town departments.

Information for Right to Know requests are only required to be provided to legal New Hampshire residents Nothing in the law requires the Town to provide information to an out-of-state individual. See McBurney v Young, 569 U.S. 221 (2013). Requests from out-of-state individuals will be reviewed and analyzed on a case-by-case basis.

A reasonably good faith effort will be made to provide records for all right to know requests. In line with the spirit of NH RSA 91a, governmental agents/agencies should assist the Right to Know Requester as much as reasonably possible to reinforce trust, openness, and cooperation.

There are exemptions to the regulations in which information can be considered *Non-Public* and is not subject to release upon request. For further details on non-public exemptions please see NH RSA 91-A3.

There are other exemptions including but not limited to, draft notes, attorney-client privilege communication, public safety information, school records of minors, and similar information. For further details on the allowable exemptions please see RSA 91-A5.

1.3 Legal Definitions

"Advisory committee" means any committee, council, commission, or other like body whose primary purpose is to consider an issue or issues designated by the appointing authority so as to provide such authority with advice or recommendations concerning the formulation of any public policy or legislation that may be promoted, modified, or opposed by such authority.

"Governmental proceedings" means the transaction of any functions affecting any or all citizens of the state by a public body.

"Governmental records" means any information created, accepted, or obtained by, or on behalf of, any public body, or a quorum or majority thereof, or any public agency in furtherance of its official function. Without limiting the foregoing, the term "governmental records" includes any written communication or other information, whether in paper, electronic, or other physical form, received by a quorum or majority of a public body in furtherance of its official function, whether at a meeting or outside a meeting of the body. The term "governmental records" shall also include the term "public records."

"Information" means knowledge, opinions, facts, or data of any kind and in whatever physical form kept or maintained, including, but not limited to, written, aural, visual, electronic, or other physical form.

For additional legal definitions please reference RSA 91A-5

Section 2.0 – Obtaining Public Information

2.1 Requesting Information

RSA 91-A4:1 - “Every citizen during the regular or business hours of all public bodies or agencies, and on the regular business premises of such public bodies or agencies, has the right to inspect all governmental records in the possession, custody, or control of such public bodies or agencies, including minutes of meetings of the public bodies, and to copy and make memoranda or abstracts of the records or minutes so inspected, except as otherwise prohibited by statute or RSA 91-A:5.”

2.1.1 Requests for records that can be immediately released

- a. Requestors should first make a reasonable effort to find the information they seek on the Town website HudsonNH.Gov. By using the Search feature, most past meeting minutes, meeting packets and meeting recordings can be found. Additionally, information on town events, activities, projects and similar may also be found on the town website. When requested, information is not directly accessible on the town website, the requestor should follow process below to request the information.

Records for immediate release are considered to already be available or easily accessible and currently meeting or have met the requirements of RSA 91a.

2.1.2 Request for records that require additional support and resources to provide

- a. All requests for information should be submitted to the Town Administrator’s Office in order to provide a single point of contact for requestors. (*Exception: Requests for public safety records are encouraged to be submitted to the Hudson Police Records Division or the Hudson Fire Department Respectively.*) This process will allow the town to efficiently and effectively disseminate the request to all applicable parties with the intent to meet the legal timeframe in which requests need to be responded to.
- b. The completion of an application is not legally required to request public information, but it is highly recommended that the requesting party complete a request form - [Hudson NH Right to Know \(RTK\) Request Form](#) for town employees to accurately provide timely information to requestors. Reference the addendum to this policy for more details on the application process.

If the requestor does not complete the form, the department taking the request should do so on behalf of the requester ensuring that the information that is being requested is clearly captured and understood to allow completion of the Right to Know Request.

- c. To confirm the accuracy of the request and to start the timeline as outlined in RSA91-A, it is highly recommended to have the requesting party sign and date the application before submitting it for the processing of the request.
- d. Once an application and/or request has been officially received by the Hudson NH Town Administrator's Office, the public body associated with the request has five business days to complete the said request, deny the request or provide a written statement of the time reasonably necessary to determine whether the request shall be granted or denied and the reason for the delay.

2.2 Gathering and Organizing Information

- a. Upon receipt of the request by the Hudson NH Town Administrator's Office, a representative from said office shall forward the request as applicable to the department and agency associated with the requested information.
- b. Either the department associated with the RTK request or the Informational Technology (IT) department, if determined to be the more effective resource, should make every reasonable effort to search and collect all information within the scope of the request, including but not limited to archived information, information both on the digital servers and electronic storage devices as well as information that may have been accidentally or unintentionally transferred between personal emails/accounts by public officials or staff if there is reasonable evidence to assume such.
- c. Information collected for the Right to Know request shall be provided to the requestor in its native format in which it was originally created. This will require no additional time or resources to convert documents and will provide all original information associated with the information that was requested and provided to the requestor. Native Format files will provide file creation date, author, modification dates, date email was sent, original attachments to emails and other relevant data.
- d. Information gathered and produced by a town body shall be submitted to the Town Administrator's office to compile, provide the information to the requestor, and complete the Right to Know request.

2.3 Completing a Public Information Request

- a. Information that has been gathered should be organized and presented to the requestor, but it should be known that there is no legal obligation for the public body "to compile, cross-reference, or assemble information into a form in which it is not already kept or reported by that body or agency"

- b. Right To Know information can be provided in the following forms based on the most effective delivery method as it relates to the amount of information being requested.
 - 1. Printed on paper
 - 2. Emailed back to requestor: limited if requested files are too large to send
 - 3. Loaded onto a Universal Serial Bus (USB) Hard Drive
 - 4. Post marked through USPS (which can incur cost to the requestor)
 - 5. Reference section 2.4 to see associated costs with each option when applicable
- c. A log of Right to Know request, which are not considered public safety requests associated with the fire department or police department, will be kept in a separate file in the Town Administrator's office along with the corresponding (completed) Right to Know request form.
- d. If the town is unable to make a governmental record available for immediate inspection and copying, the Town must, within 5 business days of a request, make such record available, deny the request in writing with reasons, or furnish written acknowledgment of the receipt of the request and a statement of the time reasonable necessary to determine whether the request shall be granted or denied (the Right to Know Form should be used for this purpose).

2.4 Applicable Costs

- a. If permitted by law, the individual requesting a copy of governmental records will be charged the actual cost of providing said copies or external media. No additional profits should be included by the town or governmental agency.
- b. Requests for information to be emailed, will be free of charge, unless extenuating circumstances cause the town to incur an unreasonable cost in which case, the cost will be transferred to the requestor
- c. No cost or fee shall be charged for the inspection or delivery, without copying, of governmental records, whether in paper, electronic, or other form. Nothing in this section shall exempt any person from paying fees otherwise established by law for obtaining copies of governmental records or documents, but if such fee is established for the copy, no additional costs or fees shall be charged.
- d. In the same manner as set forth in RSA 91-A:4, IV, any public body or agency which maintains governmental records in electronic format may, in lieu of providing original records, copy governmental records requested to electronic media using standard or common file formats in a manner that does not reveal information which is confidential under this chapter or any other law. If copying to electronic media is not reasonably practicable, or if the person or entity requesting access requests a different method, the public body or agency may provide a printout of governmental records requested, or may use any other means reasonably calculated to comply with the request in light of the purpose of this chapter as expressed in RSA 91-A:1. Access to work papers, personnel data, and other confidential information under RSA 91-A:5, IV shall not be provided.

Section 3.0 – Policy Changes

3.1 How to make changes to this policy

- a. Changes to this policy can be presented by the Town or the Public to the Board of Selectmen.
