

## NEW COMMUNITY POWER RATE CHANGE EFFECTIVE AUGUST 1, 2025

The Community Power Coalition of New Hampshire set its electricity rates for the six-month rate period beginning Aug. 1, 2025.

Community Power's default "Granite Basic" electricity supply rate for Hudson residential customers will be 13.419 cents per kilowatt-hour (kWh), effective Aug. 1, 2025, through Jan. 31, 2026. It's a 3.719-cent, or 38.3%, per kWh increase above the current rate. Eversource rates are also increasing. The new rate for Eversource default electricity is 11.196 cents per kWh.

Based on usage of 650 kWh per month, the estimated cost for the Granite Basic plan is \$87.22 per month for the electricity portion of the bill. The estimated cost for the Eversource default rate would be \$72.77 per month for the electricity portion.

### Changing Energy Suppliers

Customers have choices for their electricity supply option, including Hudson Community Power, Eversource, or third-party competitive suppliers, including those listed at the NH Department of Energy's webpage here - [www.energy.nh.gov/engyapps/ceps/shop.aspx](http://www.energy.nh.gov/engyapps/ceps/shop.aspx)

Customers may opt into or out of Hudson Community Power and may return to Eversource supply service at any time using the following options:

- Calling 1-866-603-7697 (open 8 am-5 pm weekdays excluding holidays)
- Emailing [info@communitypowernh.gov](mailto:info@communitypowernh.gov)
- Visiting [www.communitypowernh.gov/granite-basic](http://www.communitypowernh.gov/granite-basic) and using the customer portal

Please have your utility account number handy (printed on your electric bill) so your request can easily be processed. There are no fees for switching between Hudson Community Power and Eversource supply service. Switches will be processed as of the next available regular meter reading date.
