Background:

Per Board of Selectmen meeting on October 8, 1996, Chairman Seabury said the Board takes a vote on this every year. The only time this ever changed was the year Al Lambert spearheaded an effort for trick or treating to be done in daylight hours, which did not go over big with the residents. Selectman Dilworth said it was a good suggestion and they wouldn't have known if they hadn't tried. The traditionalists won out. Chairman Seabury suggested voting to hold the hours for trick or treating in Hudson as 6- 8p.m. on October 31st from hence forth, until a vote is taken to do otherwise.

Motion by Selectman Dilworth, seconded by Selectman Jasper, to set the hours for Trick or Treating in Hudson at 6- 8p.m. on October 31, and this will remain in effect until a vote is taken to do otherwise carried unanimously.
