1. If any provisions of this Agreement or the application of such provisions should be rendered or declared invalid by any court action or by reasons of any existing or subsequently enacted State or Federal legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

 - b. IAFF EMS: biennially
 - c. Professional Fire Fighters of New Hampshire: every other month.
2. Thirty-days (30) notice in writing is required as a prerequisite to qualification for pay for any Union convention.

4. All personnel shall have such additional rights, if any as are granted them under the New Hampshire revised statutes annotated.
5. The Town agrees that the Executive Board of the Union shall be allowed to meet in executive session at the Hudson Fire Department Central Station two (2) times per month as long as such meetings do not hinder the normal operation of the Fire Department and those attending any such executive session notify the officer in charge on duty. The Town also agrees that all membership meetings of the Local may be held at the Hudson Fire Department Central Station as long as the practical application of this paragraph does not hinder the normal operation of the Fire Department. All such meetings shall be scheduled in advance through the Chief.

ARTICLE IX
DISCIPLINE AND TERMINATION FOR CAUSE

1. All discipline shall be for just cause and shall be appropriate to the infraction for which the disciplinary action is being taken.

Just cause shall include, but not be limited to the following: a) medically diagnosed incapacity to perform assigned duties when such incapacity will continue for more than one (1) year; b) Incompetence; c) behavior incompatible with effective conduct or duty; d) behavior detrimental to the Town, or e) failure to carry out assigned duties.

- a. Disciplinary action will normally be taken in the following order:

1. Verbal Warning
2. Written Warning
3. Suspension without pay
4. Demotion if applicable
5. Discharge

However, the above sequence need not be followed if an infraction is sufficiently serious to merit immediate suspension or discharge. In unique cases, demotions may be substituted for discharge as determined appropriate by the Chief and Board of Selectmen.

- b. All written warnings, suspensions, and discharge notices shall be in written form and identify the reason for the action. The employee shall receive written notice of their right to Union representation in all disciplinary matters. The employee (and the union, if requested by the employee) will receive a copy of such warnings and notices at least 24 hours prior to the effective date of any discipline.
- c. Employees may examine their own individual personnel files at reasonable times under the direct supervision of the employer.
- d. Written records relating to demotion or warnings and suspensions, or letters of commendation are considered to be of decreasing significance with the passage of time. Current information is given far greater weight than historical data. Pursuant to RSA 275:56 as amended, if, upon inspection of his/her personnel file(s), an employee feels a record contained therein should be removed or corrected in writing he/she may so request of the Chief. If the request is denied the employee may submit a written statement for the file(s) explaining his/her version of the information contained therein with evidence supporting such version. Such statement shall be maintained as part of the employee's personnel record.
- e. The Union has all the rights under RSA 273-A: 11 1. (a)

ARTICLE X
CONSULTATION

1. Representatives of the Union may meet with the Chief or his designees once a month to discuss matters of mutual concern, including those matters necessary to the implementation of this Agreement. Nothing herein shall prevent the Chief or a Deputy Chief and the Union from meeting on a more or less frequent basis by mutual agreement.
2. Nothing herein shall prevent the Union from consulting with the Chief, or a Deputy Chief at any time, if matters of mutual concern arise of an urgent or emergency nature. However, grievances must be submitted in accordance with the procedure contained in this Agreement.

ARTICLE XI
GRIEVANCE PROCEDURE

1. Definition

A grievance under this Article is defined as an alleged violation of any of the provisions of this Agreement except Article VI (Management Rights).

NOTE: An employee who has a "complaint" must take up the complaint with his/her immediate supervisor verbally before he/she can process the complaint as a formal grievance. The immediate supervisor shall give his/her answer within five (5) days. It is anticipated that nearly all complaints can be resolved informally without grievance.

Each grievance must be submitted in writing by the Union and must contain a statement of the facts surrounding the grievance, and the provision(s) of this Agreement allegedly violated, the relief requested and the extent to which the grievant has sought an informal adjustment of the grievance.

2. Procedure

STEP ONE

The Union desiring to process a grievance must file a written statement of the grievance to the Chief no later than ten (10) calendar days after the employee knew, or should have known, the facts on which the grievance is based, and in no case more than one (1) month from the occurrence. The Chief shall meet with the employee and Union representatives (the number of representatives being limited to two (2)) within three (3) calendar days following receipt of the notice and shall convey the written decision within five (5) calendar days thereafter.

STEP TWO

If the employee is not satisfied with the decision of the Chief he/she may file within fourteen (14) calendar days following the decision a written appeal with the Board of Selectmen, or their designee, setting forth the specific reasons why he/she believes the Agreement is being violated by the Town action in question. Within ten (10) calendar days following receipt of the appeal, the Board of Selectmen shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than thirty (30) calendar days

following receipt of the appeal and written decision shall be rendered within five (5) calendar days thereafter.

STEP THREE

If the employee is not satisfied with the decision of the Board of Selectmen, the Union may file, within twenty (20) calendar days following receipt of the decision of the Board of Selectmen, a request for arbitration to the New Hampshire Public Employee Labor Relations Board under its rules and regulations. The decision of the arbitrator shall be final and binding on the parties.

3. The cost of arbitration shall be borne equally by the Town and the Local.
4. The foregoing time limitations may be extended by mutual agreement of the parties.
5. Failure of the grievant to abide by the time limits set out in this Article shall result in the grievance being deemed settled on the basis of the last decision made by the appropriate "hearing officer" on behalf of the Town.
6. Failure of the representative of the Town to abide by the time limits as set forth in this Article shall result in the grievance proceeding automatically to the next step of the grievance procedure.
7. An employee may elect to be represented by the Union at any formal step of the grievance procedure.

ARTICLE XII NO STRIKE

The Union and its members agree not to cause, condone, sanction, or participate in any strike, walkout, slowdown, or work stoppage.

The Union and its members agree that each and every employee violating this Article shall be subject to disciplinary action by the Town.

ARTICLE XIII SENIORITY

1. The Town shall establish two (2) seniority lists, one (1) for Lieutenants/Privates and one (1) for Dispatchers. Each shall be brought up to date yearly during the month of December and posted on all fire station bulletin boards for period of not less than thirty (30) days, and copies mailed to the Secretary of the Union. Any objection to the seniority lists as posted shall be reported within thirty (30) days of the end of the posting period by the individual employee. Seniority will commence from the first day of employment on a full-time basis as a probationary employee. Corrections to the seniority lists brought to the Town's attention after the thirty (30) day period will be corrected but would negate any benefits already awarded based on seniority.
2. In the event of more than one employee being hired simultaneously, the order of seniority will be determined by the dates shown on their employment applications. If date of hire and date of application are the same, employee seniority will be determined alphabetically by last name.

3. All newly hired or promoted employees shall serve a probationary period of nine (9) months. Employees shall have no rights based on seniority during this period. They shall, however, insofar as applicable, be subject to all other clauses in this Agreement with the exception of the use of the grievance procedure for termination or discipline reasons. All employees who have completed said nine (9) months of service shall be known as permanent employees and the probationary period shall be a credited part of the employee's seniority.

The Town agrees to provide training for all new or promoted employees at its expense as required by Town/Department regulations/policies and/or by State law during the probationary period. In the event that the employee is unable to complete the required training due to lack of course availability within the initial nine (9) month probationary period, he/she shall be provided with up to three (3) additional months to successfully complete the training and obtain the required certification.

Should a newly hired employee fail to achieve the required certification during the initial nine (9) month probationary period, or the extended probationary period, if applicable, the newly hired employee(s) shall be terminated. That termination shall not be grievable.

A promoted employee who does not successfully complete the required training in the initial probationary period or extended probationary period, if applicable, shall be demoted back to the previous position without loss of seniority. In addition, an employee promoted within the Department will be allowed to voluntarily demote back to his/her previous position without loss of seniority at any time during the initial or extended probationary period of applicability.

ARTICLE XIV HOLIDAY RATE OF PAY

1. Holiday pay will be paid for the eleven (11) named holidays listed below. All Privates, Lieutenants, and Dispatchers who are off duty shall be paid eight (8) hours straight time and personnel working the holiday for a minimum of twelve (12) hours (commencing at 8:00 AM on the day of the holiday) will be paid ten (10) hours of straight pay. The Fire Inspector is granted the named holidays as a day off with pay.

New Year's Day
Washington's Birthday
Civil Rights Day
Memorial Day
Fourth of July
Labor Day

Columbus Day
Veteran's Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day

2. Where a conflict exists between the State and National holiday, the Board of Selectmen shall determine the day to be celebrated.

ARTICLE XV
CLOTHING ALLOWANCE

1. Uniforms will be furnished, in accordance with General Order Admn. 21, to each new employee of the bargaining unit. The initial issue of work uniforms for a Private shall consist of the following:

- 8 polo shirts (short or long sleeve)
- 4 pair of station work pants
- 2 Rubins or 1 all weather jacket
- 1 pair of black work boots
- 1 black belt

2. All members of the Bargaining Unit will be provided with a five hundred dollar (\$500) clothing allowance each year, following the initial year of employment, for the purchase and/or replacement of work uniforms as approved by the Fire Chief.

All members shall be provided with their full clothing allowance on July 1st of each year; except that:

Members that complete their first year of service shall have their clothing allowance pro-rated during their second year of employment unless their date of employment coincides with the start of the budget year, July 1st.

EXAMPLE: If an employee were hired in December, they would be furnished with their full clothing issue as detailed in section 1 above. Upon completion of their first year, they would have access to six (6) months, or half, of their clothing allowance. This method would put all members on a fiscal year period for uniform allowance and not provide any unit member with an unfair or increased benefit.

The member's clothing allowance may be used to purchase / replace these items.

3. In the event that an employee is promoted from the rank of Private to Lieutenant, he/she will be furnished, as an additional issue at no cost to the employee, with four (4) short sleeve and four (4) long sleeve shirts.
4. The Town shall provide all employees with a complete Class A uniform upon successful completion of one (1) year of service within the Department.

ARTICLE XVI
DEATH IN THE FAMILY

1. Bereavement leave of twenty-four (24) consecutive scheduled work hours with pay shall be granted permanent bargaining unit employees in the event of the death of his/her:

Spouse	Child
Father	Father-in-law
Mother	Mother-in-law
Sister	Son-in-law
Brother	Daughter-in-law
Step-Father	Step-Brother
Step-Mother	Step-Child

Step-Sister
Grandfather

Grandmother

A blood relative residing in the same household.

2. The Town may, upon recommendation by the Fire Chief, provide, up to, an additional twenty-four (24) consecutive scheduled work hours of paid bereavement leave in the event of the death of a spouse, child or blood relative residing in the same household.

ARTICLE XVII
EARNED TIME

1. Earned Time is an alternative approach to the traditional manner of covering absence for vacation, personal leave days and sick leave. Instead of dividing benefits into a specific number of days for each benefit, Earned Time puts these days together into a single benefit. Earned Time days can be used for a variety of purposes, including a payment in cash at the time of voluntary termination. Earned Time is available as soon as it is "earned". The exact number of Earned Time days available each year will depend on the years of service to the Town.
2. Coverage:
 - a. Employees who are employed in a permanent position of at least 75 percent time are covered by Earned Time. The accrual rates are as follows and are based on a year of employment being equal to 2184 hours for Lieutenants and Privates.

Years of Service	Hours Accrued per hour of Pay Status	Hours Accrued per year
0 thru 6	.1099	240
7 thru 15	.1374	300
After 15	.1648	360

- b. Employees who are employed in a permanent position of at least 75 percent time are covered by Earned Time. The annual rates are as follows and are based on a year of employment being equal to 2080 hours for Fire Inspectors.

Years of Service	Hours Accrued per hour of Pay Status	Hours Accrued per year
0 thru 6	.07693	160
7 thru 15	.09615	200
After 15	.11538	240

- c. Employees who are employed in a permanent position of at least 75 percent time are covered by Earned Time. The annual rates are as follows and are based on a year of employment being equal to 2184 hours for Dispatchers and Clerk/Dispatchers

Years of Service	Hours Accrued per hour of Pay Status	Hours Accrued per year
0 thru 6	.07693	168
7 thru 15	.09615	210
After 15	.11538	252

3. For purposes of this policy, years of service will be calculated in a manner identical to that used for purposes of Seniority (Article XIII). Employees accumulate Earned time based on regularly scheduled hours worked or in pay status up to those hours budgeted for the position (other non-status hours worked and supplemental compensation such as overtime are excluded) and on years of service to the Town.
4. Termination and Restoration of Service Credit: An employee whose break in service from the town is less than one (1) year will have his/her service bridged for purposes of computing Earned Time accrual. For breaks of more than one (1) year an individual will earn one (1) year credit for each year of employment after return, until the total past credit is accrued. After five (5) years of employment following return to work, credit for all previous service will be given.
5. Usage
- a. Earned time may be used any time after being earned, including during an employee's Probationary period. No more than four (4) personnel may use earned time during the same time. Earned time may not be revoked or rescinded, except for emergency purposes (weather event, multi-alarm fire, hazmat incident, mass casualty, or similar event) as determined by the Chief. It is expected that all absences which allow for advance approval by the Chief or his designee will be requested in advance to provide for adequate scheduling with reasonable notice to those affected by the absence.
 - b. Earned days may be used in the following manner:
 1. Personnel assigned to Fire Suppression or Dispatch shall utilize earned time in blocks of four or more hours.
 2. Personnel assigned to Inspectional Services shall utilize earned time in blocks of one or more hours.
 - c. Earned Time benefits accrue only during the initial three (3) weeks (15 working days) of Sick Leave Pool usage. Each separate use of the Sick Leave Pool, however, provides for the continuing earning ability.
6. Sick Leave Pool: The Sick Leave Pool is intended to provide security by allowing employees to "buy" insurance for extended illness, or other disability. When "buying" Pool days, employees convert Earned Days on a 1 to 3 basis. Similar to purchasing insurance, the employee may pick a given number of days to exchange for coverage in case of extended disability.

a. Pool days are available for use only under the conditions listed below, and are not eligible for payout at retirement or termination.

1. Use of pool days may begin on the ninth (9th) calendar day absence due to illness, injury, or other disability. For employees working 2080 hours per year the use of pool days may begin on the sixth consecutive workday absence due to illness, injury, or other disability.
2. A physicians' report must accompany the request to use Pool days.
3. The employee may continue using Pool days until his/her Pool is exhausted, or until no longer disabled.
4. Periodic doctor's reports may be required.
5. The maximum Pool day accrual is 150 days (i.e., the maximum conversion of Earned days is 50, which would convert to 150 Pool days). If Pool days are used, or if an employee wishes to add to his/her Pool days, more Earned days may be added each July (to a total of 150). Earned Time days may not be converted to Pool days at any other time.
6. An exception to 6.a.1) above, regarding the beginning on the ninth (9th) calendar day to access the Sick Leave Pool may be granted when:
 - An employee returns to work after using Sick Pool days but is disabled again within ten (10) working days of return.
 - The disability is from the same cause as the original Sick Pool usage.
 - The disability is certified by a physician to be the same as the original use.

Under these circumstances, the Chairman of the Board of Selectmen may grant an exception to beginning on the ninth (9th) calendar day to access the Sick Leave Pool.

7. Maximum Carryover

- a. Employees on roll effective July 1, 2006, shall be permitted to carryover to future years accrued earn time up to a maximum of ninety (90) days.
- b. Employees hired after July 1, 2006, shall be permitted to carry over to future years accrued time up to a maximum of sixty (60) days.

Any accruals which cannot be carried over will be paid out to the employee in the next pay period following their anniversary date of employment.

All accruals will be paid to the employee at the time of termination, retirement, or layoff, unless such termination is for cause. However, since a two (2) week notice is considered to be appropriate, in cases where such notice is not given, a pro-rata payment for Earned Time Accrual, based on the notice given

will be made. In the event termination is for cause, the employee shall not be entitled to an earned-time payout unless otherwise expressly approved by the Board of Selectmen.

In the event that any employee has more accrued time on their anniversary date of employment during the first year of the agreement than provided above, the employee shall be paid one hundred percent (100%) of the excess accrual in the next pay period following their anniversary date of employment.

All accrual payments shall be at the base rate in effect at the time of payout.

8. Buy-Out

Employees may request, during the first week in June, or the first week in December, payment for accumulated Earned Time in excess of eighty (80) hours. Request will be granted only in units of ten (10) hours, i.e., buy back of ten (10) hours, twenty (20) hours, thirty (30) hours, etc.

Earned Time, when paid in this manner, will be at one hundred percent (100%) of its value based upon the employee's current rate of pay on June 1st or December 1st. Payment will be made in the last paycheck of the fiscal or calendar year, respectively.

ARTICLE XVIII INSURANCE

Insurance benefits will be provided at the level and within the conditions of coverage in effect on July 1, 1989 for the duration of this Agreement. Brief descriptions of the coverages provided are listed below in this Article.

1. Effective January 1, 2017, the Town pays eighty (80%) of the premium cost for employees enrolled in BC2T20; AB5; and Lumenos 25 (\$2500/\$5,000) or other plans that provide comparable coverage as recommended by the Joint Labor/Management Committee, established herein. Any change in coverage options will require mutual agreement between the parties. Employees who as of July 1, 2014 are single will continue to receive 100% Town paid single coverage until a qualifying event.

In the event that an employee chooses the Lumenos plan the Town will contribute to a Health Savings Account each January, even during the status Quo period, \$2000 for a single plan, \$4,000 for a two-person plan, and \$5,000 for a member electing the Family Plan. The town will make the appropriate arrangements to assure that this article is fully funded as a cost item.

2. Employees who are otherwise eligible to participate in the Town's health insurance and dental insurance programs, but who opt not to participate, are eligible to receive payments in lieu of this coverage. In order to be eligible for payments in lieu of coverage, an employee must provide the Town with proof of coverage under another health insurance plan. Employees do not need proof of coverage under another dental insurance plan.
3. Employees who opt out of health insurance coverage will receive payments in lieu of coverage based on the level of coverage they are eligible to receive.

4. For full time employees hired prior to July 1, 2014, the following shall apply:
 - a. An employee who is eligible for single coverage shall receive pay in lieu of coverage, payable in weekly installments of \$129.20.
 - b. An employee who is eligible for 2 person coverage shall receive pay in lieu of coverage, payable in weekly installments of \$193.80.
 - c. An employee who is eligible for family coverage shall receive pay in lieu of coverage, payable in weekly installments of \$239.02.
5. For full time employees hired on July 1, 2014 or thereafter the following shall apply:
 - a. An employee who is eligible for single coverage shall receive pay in lieu of coverage, payable in weekly installments of \$50.00.
 - b. An employee who is eligible for 2 person or family coverage shall receive pay in lieu of coverage, payable in weekly installments of \$100.00.
6. Full time employees who choose to participate in the health insurance coverage but who opt out of the dental insurance coverage shall receive pay in lieu of coverage according to the level of coverage for which they qualify.
7. Employees hired prior to July 1, 2014 shall receive pay in lieu of dental coverage, payable in weekly installments, according to the level of coverage for which they qualify according to the following schedule:
 - a. Single - \$5.12
 - b. 2 Person - \$9.92
 - c. Family - \$18.04
8. Employees hired on July 1, 2014 or thereafter shall receive pay in lieu of dental coverage, payable in weekly installments, according to the level of coverage for which they qualify according to the following schedule:
 - a. Single - \$5.12
 - b. 2 Person and Family - \$9.92
9. Employees who are on unpaid personal leave of absence will not receive further pay in lieu of health or dental coverage unless and until they return to paid status. Employees who are terminated, who resign or who retire prior to being paid the full amount of pay in lieu of coverage shall not receive the balance of the payment. Employees who change their health insurance coverage mid-year shall have their opt out payment pro-rate or discontinued in accordance with their new coverage selection.
10. Employees hired before July 1, 2014 shall be grandfathered at the flex rates under Article XVIII Section 4 until such time as they completely opt out of any flex payments offered under this contract. If the

employee requests to opt in to flex payments after a period of time of not receiving any flex benefits the employee will receive flex benefits in accordance with article XVIII section 5.

11. The flex payments referred to in this section are available to any full time active employee who remains employed by the Town and eligible for Health and Dental coverage by virtue of their employment status with the Town, for the entire plan year. Employees who lose eligibility for these benefits as a result of a change in their employment status with the Town will no longer receive these payments.
12. The parties' recognize that increasing health insurance premium cost is adversely affecting both the Town and the Employees. In the event the Town or Union determines there is a need to consider other providers, cost reducing alternative and/or coverage options, the Town and the Union will convene a Joint Labor/Management Committee to explore and assess any such options. The Joint Labor/Management Committee shall consist of two members from each bargaining unit, two members of the exempt staff as well as the Town Administrator and Finance Director. The Joint Labor/Management Committee shall not bind the bargaining unit and shall not obligate the parties to reopen the collective bargaining agreement mid-term.
13. The Town and the UNION agree that if any portion of the parties' negotiated health insurance plan will trigger the application of the so called "Cadillac Tax," as it may be amended, shall also follow the procedure below:
 - a. It is agreed that the Town or UNION may immediately reopen this Agreement solely for the purpose of negotiating any changes in the health insurance plan that may be necessary to avoid the application of the Cadillac Tax to the Town or any plan administrator, insurer, risk pool or plan participant, or to assure that the plan is legally compliant. An initial bargaining session shall be held within ten (10) business days of a request to reopen, unless another schedule is agreed to by the parties. The Town shall assist the UNION in obtaining plan design and pricing information from insurance providers.
 - b. If within ninety (90) days of either parties' request to reopen this Agreement, the parties are unable to agree on changes in the health insurance plan necessary to avoid the Cadillac Tax and/or achieve legal compliance, then the issue shall be submitted to expedited binding interest arbitration. The interest arbitration shall proceed as follows:
 1. The parties agree that the special nature of this issue may require an arbitrator with specific knowledge of the ACA; therefore, the parties will make every effort to mutually agree on an arbitrator with such specialized knowledge. 5. An employee upon being notified to work overtime after working a full duty shift when no emergency is involved will be given one (1) hour leave with pay to attend to personal business. The one (1) hour leave will be given at such time as to permit the purchase of food during supermarket hours, prior to the meal for which the food is to be used. The hour of leave will be given at a time set at the discretion of the Chief or designee and will not further necessitate covering that one (1) hour absence.
6. The assignment and distribution of overtime for employees shall be made in accordance with the methods set forth in this article. The overtime list shall consist of a voluntary request by the Department for volunteers from July 1st through August 15th of each calendar year. Individuals must sign on to the voluntary overtime list by August 15th of any given year with the exception of probationary employees. They will then be considered available for overtime until the following August 15th. Overtime opportunities are voluntary and shall be offered to those individuals whose name is at the top of the appropriate list (according to job classification) and shall be offered in order of the next available shift. After being offered, the overtime shall be considered as overtime actually worked. Overtime is accepted or rejected when offered. The name shall be moved to the bottom of the list. An individual who is called for overtime, and cannot be reached, will remain on the top of the list until contacted, or until the next overtime shift becomes available. No probationary firefighter may work an overtime shift until the probationary firefighter has completed ninety (90) days of full time employment, and they have completed the following:

No employee shall work in excess of four (4) consecutive shifts (48 hours) without a twelve (12) hour rest period between shifts unless approved by a Chief Officer. In the event that a lieutenant does not volunteer for overtime, a firefighter may work for a lieutenant provided they are qualified to be an acting lieutenant. The position of acting lieutenant will be available to those that have successfully passed the most recent fire lieutenant's examination with a minimum score of 75% and have been appointed to the acting position by the Fire Chief. The Fire Chief shall not unreasonably withhold the appointment of acting lieutenant for any individual who passes with a minimum score of 75% on the fire lieutenant's examination.

Filling of lieutenant's vacant shift shall be done using the members of the shift in which the vacancy occurs if possible. This will create a vacancy in the firefighter's rank, which will be filled using the Department's overtime list as described above.

The acting lieutenant will be paid the minimum rate of pay for a lieutenant for all hours worked, while assigned to the acting lieutenant's position. Upon the completion of shift coverage, the firefighter will revert back to all normal duties of a firefighter or lieutenant unless the position being covered is for more than one shift. The acting lieutenant will continue to have the authority and responsibilities of a full time lieutenant while they are assigned to this position.

In the event that the above voluntary overtime list is exhausted and/or less than fifty (50%) percent of the unit members agree to sign on to the voluntary overtime list, the Department may utilize mandatory shift coverage. The on-duty shift shall fill all vacancies that are created by the oncoming shift. Employees have the option to work or swap away this coverage, but the employee responsible for the coverage shall be responsible to provide equal coverage for the vacancy. A list by seniority shall be maintained by each shift to cover these vacancies. The list shall rotate starting with the employee that is next on the list after the last coverage has been filled. There shall be a second list established for officer's positions, firefighters, paramedics and dispatchers. At no time shall this mandatory coverage interfere with an individual's use of earned time or exceed forty-eight (48) consecutive hours worked of which only twelve (12) hours can be mandated.

ARTICLE XXIII WORKING OUT OF CLASSIFICATION/RANK

If a position is vacant for a period of time more than one (1) duty shift payment occurs if the Town fills the position by means of a temporary upgrade. This right does not, however, limit the Town from filling such vacancies by means of overtime assignments within rank.

ARTICLE XXIV

In the event of an emergency, requiring less than four (4) hours, a duty swap of less than four (4) hours may be approved by a chief officer.
2. Requests for swaps will be forty-eight (48) hours in advance. In the event that a full twenty four (24) hour shift swap is to be covered, no more than two employees shall be scheduled for this coverage.
