Reason for Applying

I believe this role presents a valuable opportunity to make a positive impact on the town. I believe public services is the backbone of society. Being a member of the budget committee, the taxpayers and trust us with their hard earned dollars and it's our responsibility to use those resources to make meaningful improvements in the lives of our constituents, getting taxpayers value for their dollar requires innovative, thinking strategic planning and a steadfast commitment to delivering high-quality services and programs. This is something I look forward to doing for the taxpayers and residence in the Town Of Hudson.
