Richard Weissgarber, Chairman
Hudson Budget Committee

Subject: FY2023 Town Budget

Dear Chairman Weissgarber:

On behalf of the Board of Selectmen and in accordance with RSA 32:5, the proposed budgets for the Town of Hudson are provided for your committee's review, consideration and action, as appropriate.

The Board of Selectmen directed department heads to submit operating budgets with up to a 1.5% increase, exclusive of labor and benefit costs, with major items or new initiatives to be addressed separately for the Board's consideration, either as a request outside of the department budget or in the form of a warrant article. The Board reviewed each item and adjusted the department's budget for those that were deemed essential to a department's operation.

The Board voted to send to the Budget Committee the General Fund Operating Budget of \$32,098,523, the Sewer Fund Operating Budget of \$2,138,465, and the Water Fund Operating Budget of \$4,622,588. The projected tax rate for the operating budget is \$6.85 per thousand, which is a \$0.21 increase per thousand from the FY22 Town portion of the estimated tax rate of \$6.64 per thousand.

The Board of Selectmen have also forwarded these additional warrant articles to the FY23Warrant:

- a. Police Facility Expansion and renovation (Article D)
- b. Funding of five (5) Capital Reserve Funds (Articles G,H,I,J,K)
- c. Establish a Capital Reserve Fund for Generator Repair/Replacement (Article M)

These warrant articles would add \$0.12 per thousand to the tax rate if passed.

There will be one (1) labor contract for the Town (Hudson Support Staff Union) which is currently being negotiated.

Re: FY 2023 Town Operating Budget

At the budget parameter setting meeting in August, the Board of Selectmen directed department heads to submit operating budgets with up to a 1.5% increase exclusive of labor and benefit costs, with other major items or new initiatives identified separately for the Board's consideration, either as a request outside of the department budget or in the form of a warrant article. The department heads submitted an operating budget that equals \$38,582,683 including sewer, water and library budget requests. Offsetting non-property tax revenues have been budgeted in the amount of \$17,448,392. The operating budget as prepared by the department heads yields an estimated Town tax rate of \$6.77 per thousand, a \$0.13 cent increase compared to this year's estimated Town tax rate of \$6.64 per thousand. There are also several warrant articles that have been submitted and they add an additional \$0.38 cents to the tax rate per thousand.

Re: Potential Net Tax Base Growth in Property Tax Year 2022

TOWN OF HUDSON
SELECTMEN'S OFFICE

The Assessing Department has been asked in the past to provide a net growth figure for the next future property tax year, one that focuses exclusively on new construction, subdivision, site plans, etc., less deductions in value (abatements, court decisions, demolition, personal exemptions, etc.). It should be kept in mind that 2022 is also the year of revaluation and, while the tax base could go up by 40-50% in value due to market value changes being incorporated into full market value assessments as legally required for the 2022 tax year, this memo only seeks to answer the net new growth number, from new construction etc as stated.

The Assessing Department, because of the April 1st new construction pick-up date, frequently lags behind the building market as many projects do not start-up until the late-spring and the new values do not get picked up until the following tax year. There is also a significant complicating factor in estimating net new growth for the 2021 property tax year, namely, will the litigation surrounding the HLC project be fully adjudicated for as of April 1 2022. If there are not any project site plan recordings, if the risk to the project in the litigation arena is not fully adjudicated, then one would anticipate very little if any change in value on that site as its legal use would still be as golf courses.

However, we do expect continuing value growth with projects such as Griffin Road subdivision, Autumn Run subdivision, Granite Heights subdivision, Mansfield Drive subdivision, Subaru dealership improvements, Eagles Nest Estates subdivision, Heritage Landing condo development, Sparkling River condos completion, 36 Executive Drive redevelopment/expansion, Friars Court apartments, as well as others. Therefore I anticipate a conservative pick up of **approx. \$50,000,000 in new net "real" growth for the 2022 property tax year.** Please keep in mind that this is not an exact knowable number, and additional property tax exemptions/credits that are potentially added/modified could also have an impact, as well as any 2021 tax abatements, projects not commencing as planned etc.

MEMORANDUM

Budget Committee

From: Paul Inderbitzen

RE: FY 23 Moderator Budget (5041)

Ladies and Gentlemen,

The FY 23 budget year consists of three elections and one deliberative session. At the March, 2021 Town Meeting, voters approved future elections to be held in two locations. We will be dividing poll workers and equipment between the two locations, but in order to have sufficient workers and backup staff at each location, I need to increase the number of Ballot Clerks and Assistant Moderators. The additional costs are reflected in the salaries and meals line items.

I am also requesting that the Town purchase electronic poll books for the voter check-in process. These ePoll books are being used in a number of New Hampshire towns and an improvement in efficiency of the check-in procedure has been noted. It is my intent to apply for funding from the American Rescue Plan funds that have been allocated to Hudson under the “infrastructure” provisions.

I have received one quote (attached) and am awaiting a quote from a second vendor, which I will send along when it is received.

Re: FY2023 Budget Request

I am pleased to present the proposed IT Department FY2023 Budget, cost center 5330 for your review.

The IT budget is based on anticipated needs and projects through collaborative discussion with the IT Steering Committee, including Hudson Department Heads.

Fiscal Year 2023 goals of the IT Department are outlined in an IT Strategic Plan dated September 2021. This plan, compiled in collaboration with the Hudson Steering Committee, outlines the IT Department's goals for the next 4 to 5 years and funding recommendations to meet those goals.

There is one item requested outside of the budget parameters for the Board's consideration, which will be presented in 5777 - Fire (Phase II -- Telestaff Cloud).

Please feel free to contact me for any additional information the Board of Selectmen may require.

Re: Requests Outside the FY2023 Budget Parameter

I respectfully request the Board's consideration of this recommended expenditure.

Cost Center	Description	Cost
5777-215	— Implement Phase II of a Fire project by fully moving Telestaff to the vendor's Cloud model.	5,000 One-time
		12,000 Annually
		\$17,000 FY23

- Reasons to do so:
- Security
 - Less dependency on IT Staff expertise

Phase I of this project was to move Telestaff partially to the Cloud in order to realize cost savings. By doing so approximately four years ago we were able to eliminate the monthly cost of telephone lines and the maintenance of a physical server. Pieces of the product that remained on-premise are our user's login and the data that Telestaff collects.

Over the past few years, we have come to trust the vendor of this product and have seen them respond quickly to security risks we have brought to their attention. The Telestaff product appears to have been engineered in a manner that is now safe and trustworthy.

By moving the database and login pieces fully to this vendor's servers, we minimize the security vector of crossing an Internet-facing piece of software with internal, on-premise pieces. Moving it totally to the cloud would make this more secure for our internal network.

In addition, maintenance of the database requires expertise that we do have with one person in-house. However, moving that database to the vendor's hosted server allows Fire faster response times when IT staff is on vacation or otherwise unavailable.

RECEIVED

AUG 23 2021

TOWN OF HUDSON
SELECTMEN'S OFFICE

Re: FY 2023 Dues Assessment

Dear Mr. Malizia:

The following information is provided to aid in the preparation of your upcoming budget cycle.

The NRPC FY 2023 dues assessment for the Town of Hudson is \$19,422. As you can see from the enclosed chart, the Town is assessed a proportionate share of the dues based on the regional population as listed in the 2019 population estimates determined by the NH Office of Strategic Initiatives and the property assessments as determined by the NH DRA in its 2020 Equalized Assessed Valuation.

For the past twelve years, the NRPC total dues amount of \$163,000 has remained unchanged. The amounts assessed to each community vary slightly from year to year due to annual changes in the equalized assessed valuation and estimated population. Membership dues are primarily used as local match for federal and state grants that fund NRPC's programs. Dues also support our Energy Aggregation Program, day to day GIS support such as tax mapping, and land use technical assistance. Our dues are one of the lowest per capita of any region in the state and amount to only 10% of NRPC's total budget. Thanks to your continued support and our success in securing state and federal grants, we can provide a very high level of service to the region's communities at a very modest cost.

In December, we will publish our report of activities for Hudson for inclusion in your Town's Annual Report. In the meantime, if there is anything that NRPC can do for your community please feel free to let me know. NRPC is always interested in finding ways to improve and expand our services, your ideas and suggestions that may help us better meet your needs are encouraged.

We enjoy the long-term working relationship that we have had with the Hudson and we look forward to continuing that relationship into the future. Thank you again for your continued support.

Sincerely,

NASHUA REGIONAL PLANNING COMMISSION

Jay Minkarah,
Executive Director

RE: FY2023 Budget Proposal

Please accept this letter and associated documents as the Police Department's Proposed FY2023 Budget.

The Police Department has completed and forwarded to you for review our budget proposal; which will show a 1.5% increase in our Operational spending. During the budget process my staff and I focused on funding equipment which will enable us to effectively and efficiently police the town. As always, our goal is to provide exceptional police service to the residence of Hudson, business owners, and to the people traversing through town.

I will be presenting two (2) outside the budget requests; both of which will need to be addressed. The first request is to budget for the payments of the Body Cameras, and Tasers. I have outfitted every Hudson Police Officer with a Body Camera, and a new Taser. In FY 2023, we will need to pay \$69,953.44 for the Body Camera's, and \$35,293.52 for our Tasers. For a total of \$105,246.96. HPD has entered into a 5 year contract for both the Camera's and Tasers.

We are again asking the Board of Selectmen's consideration for the Addition/Renovations to the existing building by way of a Warrant Article. We are waiting to receive the updated cost for the project. I will have this information when I present you the HPD Budget.

As we did in FY 2022, I would recommend establishing a Capital Reserve Fund in the sum of \$100,000 to assist in purchasing new and replacement of our Tasers, Body Camera's and Ballistic Shields.

Please contact me if you have any questions or if you may need additional information.

RE: FY2023 Budget Request

Please accept this letter and associated documents as the Fire Department's Proposed FY23 Budget.

The Fire Department has forwarded to you, by way of this budget proposal, what we as an organization feel is required to provide emergency and associated services to the Town for FY23. The Board of Selectmen asked the Department Heads to submit a budget proposal with a 1.5% increase over the FY22 default budget on the operational side of our budgets. As of this submission we are happy to report that we have met this goal and provide you with a budget that will continue to support and maintain all safety and delivery programs provided by the Fire Department.

The objective for our FY23 budget request remains constant with our prior requests; which is, continuing to provide emergency and support services to the Town of Hudson with the highest degree of excellence, proficiency and compassion. This goal is accomplished through preparation of our people, a consistent and efficient prevention effort, and the protection of the community and our employees when an emergency does arise.

As a brief overview of the budget you will note that we have maintained programming that will assist us in supporting our core values, mission and vision. Additionally we have targeted areas that will provide us consistency and operational efficiency. The FY23 proposal revisits adjustments that had been proposed in FY22.

We offer the following outside of the budget requests for the Board of Selectmen's consideration:

- We are asking for your support of a warrant article to add an additional \$25,000 to the Fire Apparatus Repair/Refurbishment account that was established in March of 2008.
- We are asking the Board of Selectman to open discussion with us regarding the addition of a third Deputy Fire Chief's position within the Fire Department. As we continue to grow organizationally we feel it is time to add an additional administration position to our Administrative staff. This position would be responsible for one of our major divisions within the department. The impact to the budget would be approximately \$107,226 depending how the final candidate fits into the salary schedule. Additional-costing

associated with this position would surround benefits for the position. In an effort to look at the most costly scenario, those additional costs would be approximately \$31,147.

- We are requesting consideration to move the UKG Workforce Telestaff program from a local server data and cloud service to a cloud based application. This request is in line with the strategic plan that has been developed for Information Technology. This program supports the scheduling of the Fire Department staff. The associated cost for the project is \$17,000. Additional funding needed for FY23 would be \$12,550. We would repurpose funding from 5777-269 in the amount of \$4,450 to complete the transition.

Please contact me directly with any questions or if you require additional information regarding any item that is contained in this budget submittal.

RE: Fire Marshal

During the FY-23 budget presentation, the Fire Department requested the addition of a third Deputy Fire Chief's position at a salary cost of \$107,226. This would require an addition to the department's current head count. After conversation with the Board of Selectmen during our budget presentation, we are providing you with the following alternative as requested.

Department Goal

The Department's goal is to add an independent position within the division to lead and manage the day-to-day operations of the division. Originally, we proposed a full-time Deputy Fire Chief position to manage this division. As a stepping-stone into this, we would look to reorganize the division to create a working supervisor for this area. This would allow us to create a supervisory position in the area and remove those responsibilities currently assigned to Deputy Tice. This change will allow him more time to concentrate on his core responsibilities in the Operations Division. To accomplish this, we would repopulate the Fire Marshal's position that is currently not utilized.

Reorganization Cost

The cost of this reorganization would require an additional \$16,389 to cover the additional salary and benefits' costs for this position.

Justification

This position would be responsible for the overall leadership and management of the Inspectional Services Division, Community Risk Reduction and public education programs.

This area has a tremendous amount of customer contacts each day. They are currently processing approximately 2,000 permits and 2,300 inspections yearly on the construction side of the division. Additionally, the division is responsible for housing health complaints, school and daycare inspections and managing the foster care program.

We have attached an updated job description that we would utilize for the position.

Action

If the Board of Selectmen finds this an acceptable plan we would ask the board to endorse the following;

- Increase the salary/benefits line in the Inspectional Service Division 5740-101 full-time salaries by \$16,389 in the FY-23 budget
- Authorize the Fire Department to move forward with the reorganization of the Inspectional Service Division with the fire department covering the increased cost from the operational budget for the remainder of the FY-22 budget year.

Please contact me with any questions.

RE: Out of Budget Expenditure

Subj: Senior Center Bus & Operating Bus Costs

I am respectfully requesting that the Board of Selectmen add the following to the Recreation Department's Senior Operations budget.

The Recreation Department has received an expected donation confirmation from the Senior Center Council of Aging, of a 14-passenger handicap accessible bus. As we head towards operating the center at a fulltime status, I would like to offer the Senior Center members residing in Hudson, the option of transportation to and from the Senior Center to attend programming. Hudson residents would pay a small fee for using the service. This service will be offered four days a week and would consist of a morning and afternoon run on both the North and South sides of town.

This budget request consists of the addition of a part-time bus driver, and the projected operating annual costs of the bus.

5835-104	Salaries	\$28,212.91 (includes FICA) \$18 hourly, x 7 hours daily x 4 days weekly = 28 hours weekly
5835-304	Gas/Oil	\$1,300
5835-205	Large Equipment Maintenance	\$1,425 Includes all bus repairs and replacement of new tires, tire rotation, and annual state inspection.
5835-244	Medical Exam/Annual Drug Testing	\$268

Bottom line -\$31,205.91

Mission Statement

The mission of the George H. and Ella M. Rodgers Memorial Library is to provide residents of Hudson, NH, with enhanced opportunities for social, cultural, economic and intellectual growth, and to promote literacy through ready access to current and relevant information and a core collection of materials in a well-staffed, comfortable and safe environment.

In order to enhance the quality of life, provide lifelong learning and meet the growing needs of the members of our community, the Rodgers Memorial Library utilizes all traditional and innovative modes of library service; initiates and anticipates future modes of learning through access to technological and electronic/digital means of information access and retrieval; and makes available opportunities for one to one learning and growth for all age groups in the community.

The Library Board of Trustees adopts and declares that it will adhere to and support the Library Bill of Rights and Freedom to Read Policy and Freedom to View Statements adopted by the American Library Association.

Objectives/Goals

The Rodgers Memorial Library provides a wide-ranging menu of services to the Hudson community by

- completing and implementing Strategic Plan
- protecting and preserving the inherent values of library systems which are a key part of our democratic national heritage
- supporting the long and honorable role of public libraries in the state of New Hampshire and the two-century history of the Hudson library system
- insuring effective utilization and stewardship of donated funds dedicated to Library development and growth
- providing a center for community activity based on skill acquisition, intellectual and social development of individuals and groups, and economic attraction for business development
- increasing the number of resident library card holders
- accessing and using traditional and electronic resources for pleasure reading, learning, research and reference
- maintaining state of the art access to electronic and digital resources and providing training for residents in utilization of these resources
- stimulating the growth of reading and knowledge acquisition through reading programs for pre-school and school age children, book clubs and study groups for young and mature readers, knowledge based group and individual programs including tutoring groups
- providing interaction and collaboration with Town and school departments and with other community libraries in the state

Challenges

Major challenges facing the Rodgers Memorial Library include

- ongoing education and advocacy to residents on behalf of the library regarding the Incredible value of a strong library system in supporting the community's educational growth and economic development and the preservation of the ideals of democracy
- ongoing fiscal challenges resulting from local budgetary concerns
- concern for just and competitive salary schedules for trained, experienced and dedicated library staff
- restriction of support from the NH State Library resulting in constriction of local databases

Expansion and Renovation of the Police Facility

Warrant Article A represents the cost of expanding and renovating the Police facility located at 1 Constitution Drive. The Hudson Police Station was originally designed as a 24,000 square foot facility in 1994, however the town elected to decrease the budget and the Police Station was constructed as a 14,000 square foot facility which opened in 1995. The Police Station footprint has remained unchanged for 26 years despite the growth of the department.

The needs for the expansion and renovation of the Police facility have been well documented, starting with Kaestle Boos Associates who designed the original building. When the original design was decreased to 14,000 square feet they advised the Hudson Police would outgrow the facility in 10-15 years. The need for this project has been more recently documented by Municipal Resources Incorporated (MRI) who conducted a needs assessment of the current police facility and documented 40 recommendations which would be addressed by an expansion and renovation of the facility. The Capital Improvements Committee put the expansion and renovation of the Police facility as the top priority in the current Capital Improvement Plan (CIP).

The proposed expansion seen above would add approximately 5,700 square feet to the current facility while also renovating the current building to better utilize the space available

Goals for this Expansion and Renovation are:

- Increasing security to limited access points of the facility.
- Provide updated locker facilities, to include adding lockers so all female employees have access to a locker.
- Increase storage throughout all divisions of the police facility.
- Provide an area for crime scene processing and increased evidence storage.
- Additional secured space for a Computer Forensics area and a Narcotics Unit.
- Addition of designated interview rooms for victims and suspects.
- Addition of a rollcall room/EOC with adequate space to serve its designated function.
- Renovation and relocation of divisions to increase effectiveness and improve work-flow.

- CURRENT BUILDING IS 14,000 SQUARE FEET – PROPOSED CHANGES WOULD GAIN 5720 SQ. FT
- CAPITAL IMPROVEMENTS PLAN COMMITTEE UNANIMOUSLY VOTED IN FAVOR OF THIS PROPOSAL FOR IMMEDIATE RENOVATIONS & ADDITION
- ALSO APPROVED BY THE BOARD OF SELECTMEN & BUDGET COMMITTEE
- GREAT NEED FOR MORE SPACE; STORAGE AND SECURITY

MRI Assessment Highlights

The Ann Seabury Community Room:

Add 3 small offices

Dispatch: Break room

Records/Legal: relocate legal division to one office space, near record files

Evidence/Labs: additional evidence room, new crime & computer lab, new narcotics office

Narcotic Division: Office Space

STORAGE: storage for files, equipment (support services, swat & mailboxes)

Female Locker Room: need more female locker, currently at capacity

Roll Call/ Emergency Operations Center: new room with more space

Overall Security: employee parking lot, prisoner transport gate & carport for marked cruisers

Warrant Article "E" Veteran's Memorial Bridge Rehabilitation

This bridge was built in 1970 and it's a crucial infrastructure asset, which is owned by Town of Hudson & City of Nashua. Currently this bridge has been in need of repairs since 2016. We have completed the evaluation and design of the rehabilitation and the next phase will be construction. Closure of this bridge will result in over Twenty Seven Thousand (27,000) vehicles per day to be detoured through Lowell Road Corridor to Sagamore Bridge during am peak hours.

Notes:

- Daily traffic over this bridge is approximately 27,000 vehicles per day.
- The bridge was built in 1970 and further deterioration could result in tens of millions of dollar in repairs/replacement.
- Rehabilitation of the bridge will eliminate of road closure which will affect Hudson traffic, hospital access, and response time.

Request

- We are requesting the Board of Selectmen to prioritize this project.

Transfer Station Upgrades

Warrant Article F represents the cost of the necessary upgrades associated with the Transfer Station facility located at 26 West Road. The Hudson Transfer Station is in need of major upgrades and increased capacity related to daily operations. The Town is in the process of developing a master plan to transform the Transfer Station into a state of the art facility which will handle the current and future needs, while addressing safety, liability and compliance aspects of this site.

Goals for the Future Transfer Station Facility:

- Increasing safety and capacity of the operations.
- Provide the ability for the Town to have a facility that they can operate or lease it to an operator.
- Provide the ability for reducing the cost of the trash removal and recycling, long term ad short term.
- Provide a better flow for processing and increase efficiency and safety.

The first step of this undertaking is the construction of a safe retaining wall with a capacity to handle up to 13 dumpsters.

MEMORANDUM

September 24, 2021

TO: Board of Selectmen
Steve Malizia, Town Administrator

FROM: Jim Michaud, Chief Assessor

RE: Capital Reserve Fund for Property Reassessment -- Funding

The Assessing Department is requesting the BOS's consideration to forward the attached warrant article to the warrant for continued capital reserve funding for future property revaluations. The current account balance is approx. \$93,000 +/-, after applying the two 2022 revaluation contract amounts against it (public utility one and the general reassessment one). The BOS are aware that NH municipalities are statutorily, and constitutionally, required to reassess a minimum of once every five years, and that these laws are being enforced by NH DRA. The post-Sirrell cases decision history of Town-wide reassessments is as follows:

2002, 2004, 2007, 2012, 2017, 2022 (Pending)

As per the above, the Town has averaged a Town-wide reassessment once every 3 1/3 years. The 2022 revaluation contracted costs total to \$175,100. We would want to continue to build reserves in this fund for future revaluations beyond 2022, especially if there is a significant down/upturn in the market post-2022 revaluation, and we would need to do a reassessment to reflect that possibility, more quickly than the de minimus 5 years post 2022. If we anticipate that there will be some cost inflation in a future contract, assume 3% a year, then further assume that 2025 we might have to do another reassessment, then we are looking at a possible cost of \$191,000 +/- for 2025. That leaves a gap (after application of current capital reserve monies balance) of approx. \$98,000 to be covered and, with just three budget cycles between now and 2025, that would be a daunting request for \$32,667 in capital reserve warrant articles for each of those 3 budget cycles. I don't think that is realistic to expect that to pass for those years, especially given that we have been requesting \$15,000 per year historically. I do however believe we should improve upon the historical warrant article request of \$15,000, and recognize that that just can't raise enough funds in a timely manner, therefore I would request BOS approval for the attached warrant article request to raise \$25,000 for the following year at least.

Chief of Department

Funding for Fire Apparatus Refurbishment/Repair Capital Reserve Fund

The funding for this capital reserve fund was established through a Town of Hudson warrant on March 11, 2008. With the changes to the rules surrounding the funding of capital reserve funds, we are proposing a warrant article to continue the funding of this account.

The intention of this capital reserve fund was to fund the refurbishment and repair of the fire department's fire apparatus. In total, this accounts for the maintenance and repair of seven pieces of fire apparatus; three pumpers, one tanker, one ladder truck and two forestry units.

The expected lifespan of a piece of large fire apparatus is twenty years. When this account was established, the intention was for the units to receive an updating and repair of all of the major components of the specific piece of fire apparatus. This is slated to take place at the ten year mark, roughly half way through its lifecycle. This mark was selected after a review of several pieces of apparatus struggled to remain operational to the end of their serviceable life.

This will allow for the saving to take place over several years, to assist keeping the tax rate stable and not require the raising of funds in one fiscal year.

For informational purposes, a replacement new pump cost \$598,000, a ladder truck is approximately \$990,000. The consistent funding of this Capital Reserve Fund will assist the Town with providing a mechanism allowing repairs and refurbishment to the fleet. This fund allows saving to take place over several years, to assist keeping the tax rate stable and not require the emergency raising of funds in one fiscal year.

Date: September 22, 2021

Re: VacCon Truck CRF

At our meeting held on September 21, 2021, the Municipal Utility Committee requests Board consideration to include a warrant article, as part of the FY 2023 budget, to fund the VacCon Truck Capital Reserve Fund with \$30,000. \$15,000 to come from the Sewer Utility Fund and \$15,000 from the Town General Fund. The Committee wants to keep the reserve growing so that we are prepared to purchase a new truck when needed.

Motion made by Dawn Lavacchia; second by Bill Abbott "to recommend the Board of Selectmen include a warrant article as part of the FY 2023 Budget to fund the Vaccon Truck CRF with \$15,000 coming from the Sewer Fund and \$15,000 coming from the Town General Fund." Motion carried.

Flagstone Drive Drainage Infrastructure Repairs

Shall the Town of Hudson vote to raise and appropriate the sum of \$300,000 for the construction related to Flagstone Drive? This is a Special Warrant Article, per RSA 32:3 VI, reflecting an appropriation that will not lapse until the monies are expended, or June 30, 2027, whichever is the earliest.

(Recommended by the Board of Selectmen _____)

(Recommended by the Budget Committee _____)

(50 % Majority vote required).

Warrant Article L

Flagstone Drive Drainage Infrastructure Repairs

Warrant Article L represents the cost of the necessary upgrades associated with drainage infrastructure. We have experienced a total collapse of a portion of this pipe in 2019 and have come up with the most cost effective means to address this matter. We propose to use a 36 inch wide UV liner inside the pipe, which proves a plastic pipe within the existing damage pipe. The cost to replace the pipe is approximately half a million dollars.
