

Of note, transfer of property and HOS playground go hand in hand. Take a look at the attached map. The field that is proposed to be transferred is the open space at the back of ELCC (HOS). This property belongs to HOS. It used to have a playground on it. It was removed and field was basically stolen or given for baseball! THIS is an area these K children have a right to play on but are not! WHY? This is a very deceptive area that is not being fully disclosed!
