

Fiscal Year 2025

Warrant Article 31 (by Petition)

So. NH Radio Control Club West Road Use

Allow the Southern New Hampshire Radio Control Club continued use of the West Road Landfill Wagner field, a Federal Aviation Administration Recognized Identification Area.

Per the agreement with the Board of Selectmen in July of 1999, the town of Hudson, NH will grant continued use of the West Road Landfill capped areas to the Southern New Hampshire Radio Control Club 501C non-profit organization, a fully insured and chartered member of the Academy of Model Aeronautics. This club fosters community efforts related to the building and flying of model aircraft, STEM education, and enablement of skill creation related to employment in the aerospace industry, many past members have subsequently established careers in aviation and aerospace. The club is in need of continued access to a suitable site for flying activities; the current site is recognized by the Federal Aviation Administration and has been granted special permissions allowing for high altitude flights. For the past 24 years the club has donated time, expertise and money to the town of Hudson NH and wishes to remain a vibrant part of the community.
