Town of Hudson, New Hampshire

PETITIONED TOWN MEETING WARRANT ARTICLE
Non-Appropriation

We, the undersigned registered voter(s) of Hudson, request this warrant article be added to the 2026 Town Meeting Warrant.

Title of Warrant: Protecting The Taxpayer

Shall the Town vote:

New Hampshire thrives when state funding fairly supports local communities. Therefore, the residents of Hudson are asked:

Do we call on the New Hampshire Legislature to protect local taxpayers by ensuring adequate state revenues for essential services, and by avoiding policies that shift costs onto local property taxpayers?

This question arises because recent state budgets have reduced or eliminated key revenue sources, forcing towns and counties to raise property taxes to maintain education, healthcare, county nursing homes, public safety, and infrastructure. These shifts burden working families, strain local budgets, limit flexibility, and undermine long-term community prosperity.

A state budget that prevents cost-shifting and restores municipal revenue sharing eases the tax burden on local property taxpayers and strengthens communities.

Be it further resolved that the Select Board/Town Council shall send the results of this vote to the Governor and all members of the General Court representing Hudson within 30 days.

Petitioned warrant articles must be signed by at least twenty-five registered Hudson voters in order to appear on the Town Meeting Warrant. Please print your name and street address clearly to assist with the verification process.
