I. OLD BUSINESS

None

II. NEW BUSINESS

A: Wetland Buffer Restoration Plan- 15 Power Street, Map 167, Lot 009-000

James Gove, President and Senior Soil & Wetland Scientist of Gove Environmental Services presented a wetlands restoration plan titled “Wetland Restoration Plan, PSNH d/b/a Eversource Energy Tax Map 167, Lot 9 Highland Street Hudson NH. The plan set depicts the restoration of approximately 3,657 square feet of wetland buffer and 1,704 square feet of wetlands along the northeast boundary of Eversource property located adjacent to Highland Street. Restoration will include removal of existing fill materials, regrading and stabilization of slopes along with planting of native plant species to help restore the site. Mr. Gove indicated that work would begin later this summer and hoped to have most of the work completed before the end of the construction season.

As part of this presentation Eversource representative Kurt Nelson provided commission members with a summary of how the wetland incursion along its property occurred and further stated that there has been an ongoing effort by the company to resolve the matter.

For further details please review the televised presentation on HCTV channel 22.

HCC member Mike Tranfaglia recognized and seated by the chairman at 8:15 p.m. Alternate member Brett Gagnon moved to replace HCC member Mike Tsu.

III. OTHER BUSINESS

A: Conservation Property Site Walk

The Commission members present unanimously agreed to a site walk of Merrifield Park conserved property located off of Burnham Road to check current conditions of the property. Members will meet July 13, 2017 at 06:30 p.m. weather permitting at the parks parking lot.

Future sitewalk and trail work day scheduling was deferred until the August meeting

Town appointed NRPC representative Jim Battis, appeared before the commission to report that he was still working on price quotes and material preferences for trail map replacements. These maps will be used to replace the existing trail maps at the Town Forest and Musquash Pond Conserved properties.

IV. FINANCIAL STATUS

No outstanding issues noted with the current financial report.

V. CORRESPONDENCE

The Chairman read aloud the correspondences provide by staff for tonight's meeting. The correspondences reviewed included:

An informational letter from the NH Health and Human Services notifying commission members of a water quality testing program for town residences utilizing private water wells.

A Tree Clearing Notification from the NHDES for selective tree cutting on Tax Map Lot 118-044.

A notification from the NHDES that maintenance along the Eversource K-165 transmission line would be taking place.
