Public Input Related to Non-Agenda Items:

Emergency Retaining Wall Replacement, Bob Lafleur 64 Robinson Pond, Hudson NH

Mr. Shane Howard of Howard Landscaping and Mr. Robert Lafleur of 64 Robinson Road appeared before the commission seeking an expedited wetlands special exception to replace a decaying retaining wall system located along the shore line of Robinson Pond and Mr. Lafleur's property. The existing concrete wall will be replaced with a pre-manufactured stackable concrete block to prevent further erosion of Mr. Lafleur's property.

A motion was made to allow for the replacement of the existing decaying concrete retaining wall with new dry stacked concrete blocks and geo textile fabric which will act as a tieback for the new wall. All work is to be performed while water levels are low as to minimally disturb the bordering shoreline and the two stipulations noted below will be strictly adhered to.

- 1. Construction and restoration shall comply with: BEST MANAGEMENT PRACTICES TO CONTROL NON-POINT SOURCE POLLUTION: A GUIDE FOR CITIZENS AND TOWN OFFICIALS (NH Department of Environmental Services-Current Issue.)**
- 2. During construction and restoration erosion control barriers shall be installed and maintained to the satisfaction of the Town Engineer.**
