

TOWN OF HUDSON

Conservation Commission

William Collins, Chairman Dave Morin, Selectmen Liaison

12 School Street • Hudson, New Hampshire 03051 • Tel: 603-886-6008 • Fax: 603-816-1291

DATE: April 18, 2021

MEETING MINUTES: Below is a summary of work performed at the Musquash Conservation property by members of the HCC and public volunteers during a scheduled work day. Typically minutes or a recording of activities would not be required, but in this case, a quorum of HCC members were present for this event. No discussions among members or decisions pertaining to matters before the commission were made during the trail work day.

Should you have any questions concerning these minutes, please contact the Town Engineer's Office at 603-886-6008.

William Collins Chairman <u> X </u>	Ken Dickinson Vice-Chair <u> X </u>	William Kallgren Member <u> X </u>	Randy Brownrigg Member <u> E </u>
David Morin Select. Rep. <u> E </u>	Elvis Dhima Town Engineer <u> E </u>		

Members of the public participating in the trail work day: (Thank you all for your efforts)

Edward Thompson, Cristopher Thatcher (and daughter), James Crowley and Jerry Bento

Trail work began at 10:00 a.m.

- 1) Large tree and branch debris removed from the Nacook Loop trail and the northern end of the Hamblett-Nash trail.
- 2) Litter picked up and removed from site.
- 3) Beaver dam downstream of Musquash Brook stream crossing partially opened up to relieve

water levels in the area.

- 4) GPS tracks collected for existing trails on the northeast side of Musquash Brook for a future map updates of the area.

Trail work day concluded at 12:00 p.m.

William Collins
