- Other Business: None

December 2, 2021

Town of Hudson NH

Highway Safety Dept

There is an issue with the Stop Signs located at the intersection of Musquash, Sanders and Gowing Rds in the Town of Hudson.

Musquash Rd, coming from Dracut Rd intersects with Gowing Rd. The stop sign at this intersection states it is a "4-Way" stop. This is not accurate. Gowing Rd heading towards Sanders Rd does not have a stop sign at Musquash (from Dracut Rd).

My daughter was almost broadsided at the Musquash (from Dracut Rd) and Gowing Rd intersection. She lives out of state and was on her way to her brother's house in Hudson. She stopped at Musquash (from Dracut Rd) and proceeded to turn left when a car travelling on Gowing Rd (toward Sanders Rd) almost hit her. She saw the "4-Way stop sign (#3) and assumed the other car was to stop.

Please advise if the "4-Way" sign on stop sign #3 can be moved to stop sign #1

I have enclosed a handwritten diagram of this intersection.

Thanks,

Dave Silva
