Scott J. Tice
Chief of Department

Highway Safety Committee Minutes April 5, 2023

- I. Call to order at 8:35 AM.
- II. Attendance:
 - Brian Groth- Town Planner
 - Elvis Dhima- Town Engineer
 - Jess Forrence- DPW Director
 - Jay Twardosky- DPW Supervisor
 - Tad Dionne- Police Chief
 - Scott Tice- Fire Chief
- III. Review minutes from last meeting. Update on sidewalk inventory. Our consultant is working on a sidewalk layer in GIS. Planning and Engineering will develop a town wide gap analysis and prioritize sidewalk additions.
- IV. Request to add dangerous intersection signs Library St and Ferry St intersection

Email from concerned citizen via Selectman Morin requesting we add dangerous intersection signs at Library Street and Ferry Street intersection.

Discussion:

This intersection is already saturated with visual distractions and adding more signs will most likely not affect the number of accidents. Committee members believe that more attention needs to be drawn to the red lights and recommend adding a strobe to the red lights.

Action items:

Chief Dionne will review the accident data from this intersection to determine the primary causes of accidents at this intersection. The committee will review this data at the next meeting to develop other options to make this intersection safer.

DPW will add strobe lights to the red lights at this intersection on the Ferry Street side in both directions and the South side on Library Street.

Next Meeting: June 7, 2023
