Selectman Liaison's Report:

Chairwoman Rodgers saw the Selectman's vote to take the Rodgers Memorial Library Budget off their ballot and make it their own article. In her research, it was determined that the Selectman would need to make that suggestion to the Municipal, who would then make a recommendation for the bill to the State. Hudson would be the only one presented in NH this way so Chairwoman Rodgers is not in fear of losing the Library's placement on the ballot. Selectman Nichols responded that the Selectman would indeed like to take the Library off of their budget and are going to Concord to look further into this matter. However, Selectman Nichols does not believe that Concord would be in favor of the Selectman's suggestion. Chairwoman Rodgers congratulated Selectman Nichols on the great job she did at the meeting with the Department Heads. The meeting was informative for both parties at the table. The next meeting was scheduled for March and Selectman Nichols is hoping that they can meet earlier than March. Chairwoman Rodgers noticed that the Selectman would be meeting with the SAU and asked if the Library Trustees should attend. Selectman Nichols was not given an agenda at this time and could not comment on whether the Trustees should attend or not.
