Going to use old wood for the gun case; builder would prefer not to put a mirror behind the gun.

Technology Plan submitted by Kate Butler

Feed back – would like the web-site to be more user friendly.

Consensus is to move forward with the web-site update.

Marketing Plan – Intern for Rivier

Charlie addressed the board.

We will be getting an intern from Rivier College for 120 hours at no cost. We will just have to evaluate the intern at the end of their hours. Already have one person who has applied.

Once the candidate has been chosen (by the faculty advisor) they will begin from September through December.

The Trustees are urged to look over the Marketing Plan and give their feedback.

Sunday Hours for 2016

Trustee Creeden addressed the board.

Last year Sunday hours ran from January through May at a cost of approximately \$6,000 for 17 Sundays. Average patron participation was 83. Feel that the program should begin in October (if there is money in the budget) and end in April instead of May this year as participation in May was light.

Trustees would like to see Sunday hours continue if there is enough money in the budget.

Would be 26 Sundays at a cost of approximately \$9,000.

Charlie will let staff know the Trustees are considering continuing Sunday Hours. Will discuss this again at the next meeting.

Book Drop

Now at Friend's Lumber; this is a positive from the Strategic Plan.

**New Business:**

### Coffee

We have collected nearly \$200 for sales of coffee in the Children's Room. The machine is paid for this is now a self sustaining program.

### Children's Room

LED Lighting in Children's Room front cabinet at an approximate cost of \$475. This will be added to our wish list for now.

Would like to move computers so desks are facing patrons currently staff has their back to patrons. Will need a proposal for this.

### Playaway Launchpads – Show and Tell

20 I-Pads loaded with learning apps (reading, math, geography) at various grade levels. These can be borrowed for a week at a time. Purchased out of media budget.

### Bookkeeper

Rose Mary is retiring; Arlene will be talking to Karen to see if she is interested in taking this over, if so her salary will be adjusted.

### Memo of Understanding

Charlie met with Karen Burnell (from the SAU) recently regarding meeting space usage. Currently they have agreed to pay 65% of heat and utilities, however this money was cut out of their budget last year and now cannot pay this. The library has covered this cost but now need to meet and discuss future arrangements. The Library will be taking back all scheduling.

Trustee Middlemiss, Trustee Rodgers and Trustee Stokinger will make up the committee who will meet with the SAU staff to discuss the future building use. This will come back to the board next month.

### Cigarette Disposal Container for front door

Discussed making the library a smoke free zone like the schools. Will put up a smoke free sign on the front door and add it to the web-site.

This will be re-evaluated in a couple of months. Will talk to patrons if they aren't following this new policy.

### Carpet Cleaning

Will be cleaned over Labor Day weekend; \$825 (in the budget).

### Wish List – Picnic tables (waiting until spring)

Pergola – Could use donated money to purchase this. Could get a pergola from Reeds Ferry and have it installed. Trustee Creeden will collect data and will ask the Rodger's family if they like this idea. This will be tabled until next month. Charlie will contact Reeds Ferry to gather purchase information.

### Charlie's vacation 9-11-15 through 9-27-15

Amy Freedman will be Acting Director and will attend the September meeting. A back up will be appointed to cover if Amy is not in the library.
