Hello Tim and Brooke,

I was hoping to write a more eloquent letter, but I honestly feel awful today and feel it would be better to just reply.

As you both know I have ongoing health issues and between this and the occasional schedule conflict, I know my attendance has been impacted.

I will resign effective immediately from the Hudson NH Planning board.

Thank you,
Julia Paquin

Good morning Julia,

I wanted to reach out to you. I have received inquiries into your attendance record since your election to the Hudson Planning Board.

Currently there have been approximately 25-meetings since your Election to the position, and you have currently only been able to attend 10 of those meetings.

I wanted to just do a courtesy inquiry on what would be your intent going forward. Will you be able to attend more meetings? Have you decided this position just does not currently fit into you schedule?

Any questions I can answer for you or any way I can be of assistance please let me know.

Thanks Tim
