RE: Request for Approval of Funds from Corridor Accounts

We recently installed white strobes at Library and Ferry intersection and have received positive feedback. Highway Safety Committee recently received and approved a request for installing similar devices at Lowell and Birch Street Intersection.

The proposed system will enhance safety and we are asking the Planning Board to approve and recommend the expenditure to the Board of Selectmen.

**Motion:**

**To approve and proceed with the white strobes at Lowell and Birch Street intersection, using Corridor Account #: 2070-000-701, not to exceed \$1,020.00.**
