Descriptions of Boards/Committees

Benson Park Committee's mission is to protect and maintain the rich history of the park. This committee, which consists of 8 members and 2 alternates, continues to build upon the efforts of the prior Benson's Committee and is a permanent standing committee of the Board of Selectmen. It operates with various subcommittees to accomplish its mission. Meets the first and third Thursday of the month at 7:00 p.m. at Town Hall

Building Board of Appeals derives its authority from Section 112 of the International Building Code. The Board hears and decides appeals of orders, decisions or determinations made by the building official relative to the application and interpretation of this code. Members must be qualified by experience and training to pass on matters pertaining to building construction and are not employees of the Town. Board consists of 5 members and meets on an as-need basis.

Cable Utility Committee was established September 28, 2004. Its members are appointed for three-year terms. There are nine voting members: seven citizen cable-user members, one selectman and one school board appointee. The number of members was increased by two on December 13, 2005.

Conservation Commission is established under RSA 36-A to provide for "the proper utilization and protection of the natural resources and for the protection of watershed resources of said city or town." Commission consists of 7 members and 3 alternates and meets on the 3rd Monday of the month.

Municipal Utility Committee is charged with overseeing the Water and Sewer Utilities, preparing bylaws, policies and procedures concerning the utilities; making recommendations regarding a utility budget, providing an overview of income and expenditures, and providing overview and recommendation for the ongoing administration and operations of the utilities. The committee was formed effective May 8, 2013 pursuant to BOS vote on 3/28/13 and a motion to adopt Hudson Town Code Chapters 142 and 270 to combine Sewer and Water Utility Committees into a seven-member committee of which three (3) members do not have to be served by either Town Water or Sewer. The MUC meets the 3rd Tuesday of the month at 7:00pm at Town Hall.

Nashua Regional Planning Commission (NRPC), as authorized under RSA 36:45-53, the state has delineated 9 planning regions for NH "so that each municipality of the state shall have the opportunity of forming or joining the regional planning commission for that planning region."
