

Supplemental Addendum to RSA § 674:75 Certification

RSA § 674:75 CERTIFICATION
(Prior to issuance of Building Permit)

For proposed developments that are located within 1,000 feet of the center point of a natural gas transmission pipeline, I hereby certify that one (1) of the following three (3) criteria is met:

- Written consent from the natural gas pipeline operator has been received and has been filed with the regional planning commission; or
- Written consent from the natural gas pipeline operator has not been received, but written correspondence from the pipeline operator has been filed with the local land use board demonstrating that discussions and outreach have occurred; or
- Dated and written correspondence has been filed with the local land use board that demonstrates attempts to contact the natural gas pipeline operator and that no response has been received within 180 days of the filing.

I have attached documentation verifying the selection above.
