#WREC Connect

Department Updates

In response to the Covid-19 Pandemic, the Recreation Department and Senior Center has had our doors closed to the public since April 2020. We have missed seeing our Recreation families and community, including our department staff.

I am excited to announce that we recently welcomed back our three-team members this past month.

Naomi Busnach, Leo Bernard & Lori Bowen

Trying Something New

We teamed up with USTA to offer a collaborative tennis program to the residents of Hudson.

Led by an approved USTA Net Generation tennis coach, the program focuses on developing the skills to serve, rally and play

- So, it is perfect for beginners and first-time players. Once the skills are there, participants will play fun matches with other players in the program.

This past spring, we decided to test the tennis interest level within the adult population by offering an adult 18+ program in

addition to our youth program to the residents. The response was better than we expected with online registration filling up within minutes.

The Senior Center will be having a soft reopening this July! Stay tuned for more information on our website!

Our department kicked off this collaboration with USTA in the fall of 2020 during the Covid-19 pandemic. As a low contact sport, it was the perfect program to introduce to the youth of Hudson.

Due to the popularity of the program, we will be offering tennis to both youth and adults this summer. We currently have limited spots available in our adult program only. Log onto www.hudsonnh.gov/recreation to register.

Building athletes >>>

Girls Lacrosse Clinic

We are currently running a Girls Lacrosse Clinic for girls in grades 3rd-5th.

The clinic is held on Wednesday nights at the Hills Garrison School field.

Coached by Officer Jason Downey and Rob Guilbeault, girls work weekly on building lacrosse skills through learning the fundamentals of the sport.

As a special treat, the Alvirne High School Girls Lacrosse team members and coaches have come to help periodically. The girls have enjoyed having them!

In the Spotlight

I would like to thank Wayne Madeiros for going above and beyond during the Covid-19 pandemic for our department. Wayne has assisted with the cleaning, maintaining, and everything in between of the Community Center and Senior Center buildings, on top of his Town Hall duties. He has been a constant support to the Recreation Department and we have been lucky to have him.

Thank you to the DPW for all of their help getting Jette and Sousa Fields ready for our adult softball leagues. The DPW continues to offer their assistance to the Recreation Dept. and we value their willingness and teamwork!

THANK YOU!

Hudson Recreation Departments Annual Scholarship

Congratulations to the recipients of the 2021 Recreation Department Scholarship, Carmen LaPointe and Lara Malizia!

These two amazing graduates wrote inspiring essays on how the Recreation Department has influenced their lives.

BEST OF LUCK

Getting Creative during Covid-19

WE PUT A SPIN ON HIGH SCHOOL BASKETBALL

In response to the Covid-19 Pandemic, our 2020 winter basketball program was canceled. With basketball standing strong as our largest athletic program, the disappointment was felt from 1st grade all the way to our adult league.

As we headed into the spring, we formed a plan to get creative to find new ways to continue to offer programs to the community. One of these programs was our new Outdoor High School Basketball League at Greeley Park.

Every Saturday our six teams made up of 9th-12th graders, play weekly games outdoors at Greeley Park. The athletes have been enjoying themselves in this fun yet competitive league. As an added bonus, the weather has been amazing!

Adult Men's & Adult Women's Softball

Jette and Sousa Fields are busy Monday through Thursdays nights hosting our adult softball leagues games. Stop by and check out a game!

We still have limited spots available in our Women's League. Log onto our website to register at www.hudsonnh.gov/recreation

Thank you to our 2021 sponsors!
Mobil, D & R, Sousa, Vulc-Tech, Ayotte's, Red Lantern

FALL SOCCER

REGISTRATION
