Coming live to our Best of Times Travel stage is the Ultimate Steely Dan Tribute Show - No Static! Steely Dan has been recognized by Rolling Stone Magazine as one of the Top 20 greatest bands of all time, they are Rock and Roll Hall of Fame inductees, Grammy Award Winners, have sold more than 40 Million albums worldwide, and have amassed numerous Top 10 hits. Re-creating that incredible blues/jazz/rock sound that sprung from the fertile imaginations of Donald Fagen and Walter Becker of Steely Dan is no small feat.

Dan-Fans know, that the music is complex, spanning many genres; very precise, with time changes and key changes popping up where sometimes least expected. Vocally and musically challenging, this is not an easy band to pay tribute to, until now, with No Static. Based in Boston MA, No Static is one of the top Steely Dan tribute bands in the country, and is made up of 10 of the top musicians from around the Boston area. They have been specializing in expertly performing the music of "Steely Dan" for over 17 years! They have shared the stage with actual members of Steely Dan, and have been musical guests at their shows. Recently the band has been an opening act, and headlining act at major venues throughout New England and have been tapped for a major U.S. Tour.
