1. **CALL TO ORDER** – by Trustee Lathrop the meeting of September 24, 2020 @ 3:00 PM., in the Buxton Meeting Room at the Town Hall and via virtually.
2. **ATTENDANCE**
Trustees of Trust Funds: Ed Duchesne, Harry Schibanoff, and Len Lathrop
Staff/Others: Kathy Carpentier, Finance Director (at 4:00)
Paula DeAngelis, Clerk to Trustees
Virtually: Chris Lucan & Wil Flemming
3. **PUBLIC INPUT:** None at this time.
4. **PRESENTATIONS:** People’s United Advisors, Chris Lucas & Wil Flemming presented out latest portfolio virtually with a market overview. The market has rebounded since the lows of March. Unemployment is coming down, the Tech companies seem to be helping with rebound, but energy has lagged due to travel limitations. The items which will effect market volatility include Covid19 vaccine development and the November election results including the continued deficit spending. The US dollar has reduced in value and if this continues this may impact interest rates and/or inflation. Stocks continue to out-perform Bonds and manufacturing is doing well. Emerging markets may be where we look to focus on repositioning portfolio. Harry asked about mortgage back securities, these are real assets – only real estate (not commodities or gold), which are a mutual fund. The Capital Reserves and the Trust Funds have both made gains. Another question arose regarding leaning more toward equities, but fixed income may be challenging, therefore a large Cap value tilt may be conservative but safer with Town monies. It was recommended to update Investment Policy to clearly define target ranges, language, and performance. Both presentation and recommendations to Policy will be emailed in order to update.
