Duties and Responsibilities of the Trustees of Trust Funds

Overview of Duties

- Invest funds prudently
- Monitor flow of funds in and out of accounts
- Adopt Investment Policy annually
- Annual fund reporting to the State

The basic duties of the Trustees of Trust Funds (the "Trustees") involve the collection, management and investment of trust and capital reserve assets, and the accumulation and distribution of income and principal amounts according to the trust/gift instrument or the Town of Hudson ("Hudson or Town"). The authority to administer Town trust funds is vested solely with the Trustees and the income from such funds cannot be remitted to the Selectmen for purposes contrary to the judgment of the Trustees. Trust funds include private gifts/bequests that have been accepted by the Selectmen, capital reserve funds, and trust funds that have been created at Town Meeting.

Trust funds do not include the general working capital of the Town or bond proceeds; the Town Financial Director is responsible for cash management and investment of these assets. Although the Trustees of Trust Funds oversee the perpetual trust funds created for ongoing cemetery maintenance, the Trustees are *not* responsible for the planning, development, care and maintenance of the Town's cemeteries. This is the duty of the elected Cemetery Trustees.

Included in this reference manual is a Summary Fund Listing providing information on the various funds under the fiduciary responsibility of the Trustees. To the extent that it is available, original documentation is on file in the Town offices.

Public Information and Right-to-Know Laws

The Trustees, as a public body, are required to have open meetings under the law. As such, Trustee meetings are open to anyone, not just local residents. Meeting attendees may take notes, tape record or video, and take photographs; however, the Right-to-Know Law does not grant anyone the right to speak at the meeting. The Right-to-Know Law assures a right to attend, but does not guarantee a right to participate. Of course, public input may be invited a/o encouraged by the Trustees, at their discretion.

Trustee meetings must be noticed to the public at least twenty-four hours before the meeting (not counting Sundays and holidays). Meeting minutes must be kept of all public meetings and must be available within six days from the meeting.

Board Terms and Election

The makeup of the Board of Trustees of Trust Funds is determined by RSA 31:22. There shall be three Trustees, unless Town Meeting votes to expand the Board to five Trustees. One Trustee shall be elected by a ballot each annual Town Meeting for a term of three years. Residents interested in serving as Trustees file with the Town Clerk's Office a month or so before Town Meeting so their name will appear on the Town Meeting ballot. Off-term vacancies shall be filled by the Selectmen.

The Board of Trustees of Trust Funds shall elect a chair at their first meeting following Town Meeting; generally, this position has been filled by the most senior Trustee. A secretary will also be elected but does not necessary have to be an elected Trustee. The Secretary shall keep formal and accurate minutes of all meetings. All minutes are to be filed with the Town Clerk no later than 72 hours following a public meeting.

The Trustees shall also appoint one of its members as Bookkeeper. The Bookkeeper is responsible with the assistance of the Secretary to maintain all trust and capital reserve fund records, keeping accurate accounts of all transactions, reconciling accounts on a monthly basis, making deposits and retaining the deposit slip and check books. All checks will be required to have a minimum of two signatories. The Secretary and Bookkeeper may receive compensation for their work.

Under RSA 31:22, as amended by Senate Bill 216, The Trustees of Trust Funds may recommend to the Board of Selectmen that up to two persons may serve as alternate members of the Trustees. Such alternate members would be appointed by the Board of Selectmen for a term of one year.
